Welcome

The University of South Australia is a young institution with an agile, innovative approach to educating tomorrow’s professionals and solving today’s challenges. As a university of enterprise, our efforts are focused on providing economic and social benefits to the nation and the world.

Formed in 1991 but built on more than 150 years of creating and applying knowledge, the University has quickly established a global reputation for the quality and creativity of its graduates and the innovative, outcomes-focused relevance of its research.

Our reputation for excellence continues to grow. The University of South Australia is Australia’s youngest university to be ranked in Times Higher Education’s top 50 of world universities under 50 years old. We’re also ranked in the top 3 per cent of the world’s highest performing institutions in the QS university rankings, one of only three Australian universities under the age of 25 to feature in that world’s best list. The University’s research was also rated at world-standard, or above in the second Excellence in Research Australia (ERA) assessment.

With almost 34,000 students in 2013, we are South Australia’s biggest university. We offer more than 400 degree programs in business, education, arts, social sciences, health sciences, information technology, engineering and the environment. Programs are designed with strong professional emphasis and in partnership with industry, and our graduate employment rates are above the national average.

At the University of South Australia, you will discover a vibrant on-campus culture and join an active and diverse student population. This blend enriches the intellectual and social life of our academic community, providing both an enhanced student experience as well as the ideal teaching and learning environment for cultivating tomorrow’s leaders and innovators.

I hope that you will consider joining us and I look forward to seeing you on campus soon.

Professor David G. Lloyd
Vice Chancellor and President
Welcome to Australia’s university of enterprise

Enterprise education incorporates the latest research, work placements, experiential learning and industry links. Our graduates are tomorrow’s leaders and innovators.

New learning centre
The Jeffrey Smart Building is our brand new learning and information hub on Hindley Street. Delivering state-of-the-art teaching and learning facilities and support, this building will transform the west end of the city and enhance the community with a vibrant student population.

The IDEAS university
Our spirit of enterprise begins with nurturing ideas. From concept, to development and into reality we are behind bringing ideas to life through new industry partnerships and engaged research.

Examples include:

- **Global IT partnership** — teaming with Global IT giant Hewlett Packard, in a first for any Australian university, to open a new HP Innovation and Collaboration Centre.

- **Hills Limited innovation partnership** — a new partnership with the State Government and Flinders University set to put South Australia at the forefront of innovative product design and technology expertise for a wide range of industries.

- **SciC|Ed** — plans to launch Australia’s newest interactive public science space and inspiring young people to study Science, Technology, Engineering and Mathematics (STEM).

- **Honorary Doctorates** — awarding an Honorary Doctorate to **Major General Charles Bolden Jr**, administrator of the National Aeronautics and Space Administration (NASA) and inspirational champion for education equity and access. We have also acknowledged winemaker and business leader **Wolf Blass AM** and leading feminist, editor and publisher **Anne Summers**.
The CONNECTED university

Our connections stretch across the world, through our city and into our student community.

> **Our world** — a worldwide network of 177,000 alumni supported by formal networks in Hong Kong, Singapore, Malaysia, Taiwan and the United Kingdom.
> **Our community** — helping to build stronger local communities through the support of local community and industry groups. We also sponsor many of Adelaide’s cultural highlights including: the Tour Down Under, WOMAD, the Festival of Arts, the Australian HPV Super Series and Head of the River.
> **Our students** — we remain connected to the needs of our students through the University of South Australia Students’ Association (USASA) and support their journey from start to finish with a warm welcome at orientation, modern facilities, and opportunities to create lasting memories and build lifelong friendships.

The university of enterprise
unisa.edu.au/profile

The SOLUTIONS university

Harnessing our spirit of creativity as well as the excellence of our research we seek out innovative solutions to the challenges of the future.

Our capacity to deliver innovative and effective solutions is enhanced by:

> **Excellent research performance** - quality research that is ranked world-class or above in the 2012 Excellence in Research Australia results. We are also amongst the world’s top three per cent in the QS World University Rankings.
> **Flagship research institutes and centres** — seven research institutes and 17 supported research centres, all supplying fundamental advances in knowledge to address the changing needs of our world.
> **Cutting-edge research facilities** — purpose-built laboratories including industry-standard cleanrooms for cell therapy research and more.

We are also boosting our capability to provide solutions to existing and emerging health issues through a presence in the southern hemisphere’s largest health and biomedical research precinct with the:

> **School of Population Health** — co-location of an entire school in the South Australian Health and Medical Research Institute (SAHMRI) to undertake research into the health and wellbeing challenges within growing populations.
> **Centre for Cancer Biology** — a new alliance with the Centre for Cancer Biology which will lead vital new research into leukaemia.

Keep up-to-date with our latest news at unisa.edu.au/news
Tourism, Sport and Events

Enjoy the freedom of seeking work anywhere in the world in a dynamic, growing and global industry. You will have the opportunity to apply your specialised management skills in a variety of exciting and vibrant business settings.

Travel the world

A degree in tourism and event management or sport and recreation management, will enable you to get paid for following your passion. It is your passport to a worldwide choice of career options. Tourism, sports and events are dynamic and global industries. From festivals and concerts, to transport companies and tourism resorts, sporting events and clubs, options exist in a wide range of areas – nationally and internationally. The Australian tourism industry employs almost one million people both directly and indirectly. This represents 8 percent of Australia’s total workforce. As a tourism, sport and events student, you will have the opportunity to be involved in a variety of events, large and small, like the Tour Down Under and the Adelaide Festival.

For more information on tourism, sports and events at the University of South Australia including entry pathways, student case studies and more visit: unisa.edu.au/tourism-sports-events
Unique programs

Our programs are unique in many ways. They are the industry preferred programs in South Australia and offer you direct hands-on experience. You will participate in industry placements, which means you will gain experience and be able to apply your skills in real-world situations. This gives you the chance to establish networks within the industry, which is important for creating employment opportunities.

Industry recognition

The School of Management at the UniSA Business School is a member of a number of industry associations including the South Australian Tourism Industry Council and the Adelaide Convention Bureau. Our tourism and events program was awarded the South Australian Tourism Award for Education and Training and admitted to the SA Tourism Hall of Fame. This close collaboration allows us to structure our programs to tailor the changing needs of industry.

EQUIS – The EFMD Quality Improvement System has again recognised UniSA Business School for its excellence. 10 years and counting.
EXPERIENCE: practical learning opportunities are available to all business students.
World-class research
in Tourism and Services, Commerce, Applied Economics, Business and Management, and Marketing

- The Australian Research Council’s 2012 Excellence in Research for Australia (ERA)
Bachelor of Business (Sport and Recreation Management)

Key features

› There is strong demand in the sport and recreation industry for managers with a professional qualification.

› You will complete a work placement as part of your degree, enabling you to apply your skills and knowledge in real-world situations and establish vital industry contacts.

Overview

If you have a head for business and a passion for sport, our sport and recreation management program will prepare you for a managerial career in the sporting, events and recreation industries. Based at our City West campus, the program will provide you with the skills, knowledge and qualities to work in a range of professional fields, including sport and recreation management, event planning, and management and recreation planning. You will gain the confidence and tools to lead, motivate and manage others, communicate effectively, make decisions, implement programs, manage events, work with a range of people in different settings, think strategically, manage financial and physical resources, and solve problems effectively.

Work placement opportunity

There are many opportunities for you to gain practical experience in business and management while studying. You will undertake at least one work placement as part of the course Management Practicum 1 in your second year. You will also have the opportunity to undertake Management Practicum 2 as an elective in your third year. As part of the course we will assist you with finding a work placement in an organisation relevant to your career aspirations. Alternatively, you may negotiate one with your current employer or another organisation, interstate or overseas. As part of the practicum you will complete 120 hours of placement while undertaking a research project relevant to the organisation. You will also be required to compile a report and give a formal presentation on your findings.

Fast-track your degree

Our summer and winter school gives you the opportunity to complete selected courses during study breaks. Completing a course this way gives you the flexibility to graduate sooner, catch up on lost ground, or free up time during the semester to focus on life’s other commitments. Delivered in intensive mode, summer and winter school lets you immerse yourself in an area of study, without the distraction of other deadlines and topics. For more information on timing and courses visit unisa.edu.au and search for summer/winter school.

What will I study?

In first year, you will study business core courses and be introduced to the fields of sport, recreation and leisure. In second and third year you will study a range of specialised sport and recreation core areas such as facility management, recreation planning for local communities and designing leisure programs. You will also have access to a range of relevant elective courses including sport governance, sport and event management, and recreation and wellness management.

Who will employ me?

Sport, events and recreation is a growing and dynamic sector that increasingly needs people with appropriate management skills. As a graduate you may find yourself working for state and national sporting associations and clubs, national and international events, community recreation, local or state governments, professional sporting organisations, sports and leisure centres, aquatic centres, event management companies, health and fitness centres, charities and fundraising groups, and resorts. Career paths include sport development officers, recreation planners, sports club administrators, events coordinators or research assistants. Potential employers are in the public, not-for-profit or private sectors, and are located across the state, interstate and even overseas.

Combined degrees

We offer many combined degree options enabling you to increase your skills and accelerate your career prospects in less than double the time. This program can be combined with almost any business or commerce degree, and in most cases completed in four years full-time (or part-time equivalent). See page 11 for more information.

Honours

Business Honours develops your abilities to undertake research and is a prestigious qualification that is recognised worldwide. Honours provides a point of distinction from your competitors and assists in advancing your career prospects as you develop high-level conceptual, written, verbal, analytical and project management skills. If your career interests are more aligned to academic research, an Honours degree can provide entry to a PhD.

Chloe Oborn
Healthy Communities Project Support Officer, City of Holdfast Bay
Sport and Recreation Management, UniSA Business School

Chloe made the most of the experiential learning opportunities offered at the UniSA Business School and completed a semester overseas in New York City in her final year. As well as returning home with an amazing experience, the student exchange program introduced Chloe to a different culture and gave her the unique chance to build international contacts.

‘Having the opportunity to study in America meant I could learn their way of life and come away with lots of friends and fantastic memories,’ she says. Work placements at YMCA and Netball SA also provided Chloe with practical experience during her studies and helped her secure a graduate position at YMCA following graduation.

Now a Project Support Officer at the City of Holdfast Bay, Chloe credits her skills in project planning to her studies and hands-on experiences at the UniSA Business School. ‘Sport and recreation management is important as community clubs and elite sporting clubs would not be sustainable without correct management, structures and procedures.’
Bachelor of Business (Tourism and Event Management)

Key features

› You can complete a work placement as part of your degree, enabling you to apply your skills and knowledge in real-world situations and establish vital industry contacts.

› Broaden your global perspectives and undertake an exchange program in Europe, Asia or the Americas as part of your degree.

Overview

Based at our City West campus, adjacent to Adelaide’s premier tourism and event precinct, our industry-awarded tourism and event management program addresses the needs of a growing and global industry. If you are seeking a dynamic career path, this program will prepare you with a set of skills that are highly sought after by employers, such as effective problem-solving, critical and strategic thinking, communication, and an awareness of the business environment.

This program encourages creativity and offers a global perspective. You will also have an opportunity to study on exchange at an overseas institution in Europe, Asia or the Americas. As a graduate, you will have gained solid theoretical grounding, industry knowledge and management skills to enhance your career prospects.

Work placement opportunity

There are many opportunities for you to gain practical experience in business and management while studying. You can undertake a work placement as part of the elective course Management Practicum 1. We will assist you with finding a work placement in an organisation relevant to your career aspirations. Alternatively, you may negotiate one with your current employer, or another organisation, interstate or overseas. As part of the practicum, you will complete 120 hours of placement while undertaking a research project relevant to the organisation. You will also be required to compile a report and give a formal presentation on your findings.

Delivered in intensive mode, summer and winter school lets you immerse yourself in an area of study, without the distraction of other deadlines and topics. For more information on timing and courses visit unisa.edu.au and search for summer/winter school.

What will I study?

In first year you will study core business courses and be introduced to the fields of tourism and events. In second and third year you will gain specialised knowledge and the tools to apply the analytical skills developed in earlier parts of the program. The core tourism and event areas include introductory studies in tourism, festivals and events policy, tourism policy and planning, conventions, exhibitions and meetings, and critical issues. You will also have the opportunity to join the student exchange program and study abroad for a semester in your final year.

Who will employ me?

Tourism and events is a dynamic, growing and global industry. From festivals and concerts to transport companies and tourism resorts, options exist in a wide range of areas both nationally and internationally. You will be equipped to enter careers across many sectors that service these industries. You may find yourself working in the public or private sectors in regional or metropolitan areas or even overseas.

Combined degrees

We offer many combined degree options enabling you to increase your skills and accelerate your career prospects in less than double the time. This program can be combined with almost any business or commerce degree, and in most cases completed in four years full-time (or part-time equivalent). See page 11 for more information.

Combined degrees

Key features

› Studying a combined degree allows you to specialise in two fields, placing you in an excellent position to enter your chosen career.
› Complete your combined degree in four years full-time and graduate with double the opportunities in less than double the time.
› Degree combinations with other disciplines may also be available upon request.

Overview

At the University of South Australia Business School you have the opportunity to pair two single UniSA degrees to create your own combined degree program. Combining degrees enables you to specialise in two fields, providing you with choice and flexibility and increased employer value at the start of, and throughout your career. Our flexible program structures mean you can graduate with double the opportunities in less than double the time, and in most cases, complete your study in four years full-time (or part-time equivalent). Additional degree combinations with other disciplines may also be available on request.

As a graduate with sound knowledge and skills in multiple business disciplines, you will be highly valued by employers. At the UniSA Business School, you can select from many combined degree options in areas such as:
› Accounting
› Economics, Finance and Trade
› Finance
› Human Resource Management
› Logistics and Supply Chain Management
› Management
› Marketing
› Property
› Sport and Recreation Management
› Tourism and Event Management

Entry requirements

To apply for a combined degree, you must first apply for and enrol in a single UniSA Business School degree. On completion of 18 units of study in your single degree and satisfaction of the entry requirements, you may apply for an internal program transfer to your combined degree.

What will I study?

Over four years, you will study two bachelor degrees concurrently. Your day-to-day workload will not increase while completing a combined degree, but simply provide you with the option to complete a second specialisation by adding an extra year of study. You may also be able to design your combined degree with a bachelor program from a different discipline.

For further information please contact: Div-BUE-academic-services@unisa.edu.au

Entry requirements

For undergraduate bachelor degrees and associate degrees

Applicants are required to have completed the South Australian Certificate of Education (SACE) with:

- 200 subject credits (in total);
- a grade C* or higher in the Personal Learning Plan, 20 credits of literacy, 10 credits of numeracy and the Research Project at Stage 2;
- a grade C- or higher in an additional 60 credits at Stage 2;
- a competitive ATAR; and
- the fulfilment of the program’s prerequisite requirements (where applicable).

* For Stage 2 subjects a grade of C- or higher is required

Applicants may also be eligible for entry if they have completed the program’s prerequisite requirements and have one of the following:

- Completed an interstate or overseas qualification considered by the University as equivalent to SACE.
- Completed the international Baccalaureate Diploma with a minimum score of 24 points.

Pathways

Entering your chosen program straight from high school is not the only pathway into UniSA. Applicants may also be eligible for entry through one of the following pathways:

- Tertiary Transfer – completion or partial completion of a higher education program from a recognised higher education institution.
- Special Entry – completion of the Special Tertiary Admissions Test (STAT). A personal competencies statement or employment experience may also be considered.
- TAFE/Registered Training Organisations (RTO) – Applicants may be eligible for entry with the completion of an award from TAFE or another Registered Training Organisation at AQF Certificate IV or above. Guaranteed entry into a program is also available to applicants who have completed a qualification that meets the TAFE Preferred requirement listed in each program’s snapshot.

Open Universities Australia – completion of at least four Open Universities Australia (OUA) courses at the appropriate level.

Foundation Studies – completion of a recognised foundation studies program including the University’s Foundation Studies program.

Before applying

All applicants should check and ensure that they meet all entry and prerequisite requirements before applying. For some programs, applicants may also be required to attend an interview or present a portfolio.

For more information on entry requirements, visit unisa.edu.au/future

Participation and access

UniSA offers various programs and services to assist rural and/or socio-economically disadvantaged students, Indigenous Australians and people with a disability. For more information, contact (08) 8302 2376 or email study@unisa.edu.au

UniSA Bonus Points

For students commencing university study in 2015

UniSA Advantage is a bonus points scheme that encourages participation in education as well as rewards achievement in selected Year 12 subjects that better prepare students for university study. The scheme includes two strands – Achievement and Aspire.

Achievement bonus points will automatically be awarded if students score a C- or better in Year 12 Tertiary Admission Subjects (TAS) relevant to their intended UniSA program.

Aspire bonus points are awarded automatically to students who attend a school recognised by UniSA as under-represented at university. Students from rural and remote areas are also eligible for automatic bonus points while those students on School Card (or state equivalent), Youth Allowance and/or Health Care Card or Low Income Health Care Card who do not attend a recognised school, can apply for bonus points by downloading an application form.

For more information or to download the Aspire Application Form, visit unisa.edu.au/bonuspoints

For students commencing university study in 2016 and onwards

The three South Australian universities are replacing all existing equity and subject bonus schemes with two new bonus schemes. The new schemes will come in to operation for students studying Year 12 in 2015 who apply for entry for in 2016.

The two new schemes are the SA Universities Equity Scheme and the SA Language, Literacy and Mathematics Bonus Point Scheme.

The SA Universities Equity Scheme will provide bonuses in two ways: bonuses for all students in specified schools and bonuses for individuals experiencing disadvantage.

The SA Language, Literacy and Mathematics Bonus Point Scheme encourages students to strengthen their preparation for university studies by undertaking a language other than English, or specified English and Mathematics subjects.

Need some help? For further information, visit unisa.edu.au/bonuspoints or you can also contact Future Student Enquiries by phone (08) 8302 2376 or email study@unisa.edu.au

Student contributions

To find out more about how you can defer your HECS-HELP student contribution or to see if you are entitled to a Commonwealth Government supported place at the University of South Australia, please visit unisa.edu.au/fees. The contribution that applies depends on which courses you choose to study and the contribution band in which those courses are classified (see table below). The amount of your student contribution also depends on the unit value of your courses of study.

How to apply to the University of South Australia

Go to sarac.edu.au

As per the Australian Government guidelines, the student contribution amounts for 2014 are:

<table>
<thead>
<tr>
<th>Band</th>
<th>Fields of study</th>
<th>Student contribution</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Humanities, behavioural science, social studies, education, clinical psychology, foreign languages, visual and performing arts, nursing.</td>
<td>$0 – 56,044</td>
</tr>
<tr>
<td>2</td>
<td>Mathematics, statistics, computing, built environment, other health, allied health, science, engineering, surveying, agriculture.</td>
<td>$0 – 58,613</td>
</tr>
<tr>
<td>3</td>
<td>Law, accounting, administration, economics, commerce, dentistry, medicine, veterinary science.</td>
<td>$0 – 510,085</td>
</tr>
</tbody>
</table>

Note: These amounts are for 1 EFTSL (36 units) in 2014. The student contribution amounts for 2015 will be advised by the Federal Government in October 2014, and these will be available to view via unisa.edu.au/future/fees at that time.
WHAT WILL YOU STUDY?

Associate degree
An award for completing a two-year (or part-time equivalent) tertiary program.

Bachelor degree
A program of three or more years duration (or part-time equivalent). Bachelor degree programs provide the relevant qualifications for many professions.

Diploma
UniSA offers a range of two-year diploma programs. Diplomas offered through UniSA College provide entry into the second year of a corresponding bachelor program in allied health, arts, business or science and technology. More information on the diplomas offered by UniSA College is available at unisa.edu.au/college. The Division of Education, Arts and Social Sciences offers a one-year Diploma in Languages which allows students to study a language concurrently with their bachelor degree program.

Foundation Studies
A free, one year program with no qualifications required for entry. This program assists students to develop the skills required for successful university-level study. Upon successful completion, students can apply for entry into a degree at the University of South Australia or to enter the second year of a UniSA College diploma program.

Graduate Certificate
An award for completing a postgraduate program of at least six months in duration (or part-time equivalent).

Graduate Diploma
An award for completing a postgraduate program of at least one year in duration (or part-time equivalent).

Honours
An additional year of study in a bachelor degree during which students specialise in a chosen area of study. In some cases, Honours study can actually be done as part of the degree.

Master degree
An award for completing a postgraduate program of at least two years (or part-time equivalent).

PhD
Doctor of Philosophy (PhD) programs normally extend over three years (or part-time equivalent) and involve significant research work.

> HOW DOES YOUR PROGRAM WORK?

Course
A component of study within a program (previously known as a ‘subject’).

Major
A set of related courses which comprises 36 units of study within a bachelor degree.

Minor
A set of related courses which comprises up to 18 units of study within a bachelor degree.

Program
Award in which you are enrolled, e.g. Bachelor of Arts.

Sub-major
A set of related courses which comprises between 19 and 35 units of study within a bachelor degree.

Unit
A value assigned to a course which measures the amount of work involved in that course. Full-time students normally undertake 36 units of study per year (18 units per semester).

> GENERAL

Assumed knowledge
Some programs require knowledge of certain SACE Stage 2 subjects.

ATAR (Australian Tertiary Admission Rank)
A ranking of all students who have completed SACE in a particular year. The minimum ATAR required for the previous year is often a guide to how well you will need to perform to gain entry into a particular program. ATARs can vary from year to year and should be used as a guide only.

CRICOS code
Code identifying that a University of South Australia program has been registered on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS).

Direct entry
Programs for which applications are not processed through SATAC but are made direct to the University of South Australia.

Division
The University of South Australia is split into four academic divisions – Business School; Education; Arts and Social Sciences; Health Sciences; and Information Technology, Engineering and the Environment – each offering a range of specialised programs.

Free electives
A course chosen from any on offer outside your study area, provided that individual course prerequisites are met. Free elective courses are designed to broaden your knowledge and skills beyond your professional field of study.

Prerequisites
SACE Stage 2 (Year 12) subjects, or equivalent qualifications required for admission into the program.

SACE
The South Australian Certificate of Education or a recognised equivalent qualification.

SATAC Guide
A publication that lists every program offered by South Australian higher education institutions. The SATAC Guide provides information about the selection process, includes instructions on how to apply and is available online at satac.edu.au and from newsagents Australia-wide.

Special Entry (STAT)
Special Tertiary Admissions Test (STAT) is an alternative entry for people who do not have any other qualifications for admission to university.

UniSA Advantage
UniSA Advantage is a two-tiered points scheme that awards Year 12 students with Achievement and Aspire bonus points. Eligible students will be awarded up to a total number of 9 points when they apply through SATAC. Bonus points are added to the student’s aggregate and a new UniSA ATAR is calculated. Visit unisa.edu.au/bonusponts

UniSA Preferred
If your adjusted ATAR score (inclusive of bonus points) is equal to, or greater than, the published UniSA Preferred score, if you meet the relevant program prerequisites and list the program as your first preference, you are guaranteed a place in your selected program. Visit unisa.edu.au/preferred

Glossary

Part-time equivalent
A value assigned to a course which measures the amount of work involved in that course.

Course
A component of study within a program.

Major
A set of related courses which comprises 36 units of study within a bachelor degree.

Minor
A set of related courses which comprises up to 18 units of study within a bachelor degree.

Program
Award in which you are enrolled, e.g. Bachelor of Arts.

Sub-major
A set of related courses which comprises between 19 and 35 units of study within a bachelor degree.

Unit
A value assigned to a course which measures the amount of work involved in that course. Full-time students normally undertake 36 units of study per year (18 units per semester).
