The SASA Gallery supports a program of exhibitions focusing on innovation, experimentation and performance. With the support of the Division of Education, Art and Social Sciences, the SASA Gallery is being developed as a leading contemporary art space and an active site of teaching and learning. The SASA Gallery showcases South Australian artists, designers, architects, writers and curators associated with the School of Art, Architecture and Design, University of South Australia, in a national and international context. The Director, SASA Gallery, would like to acknowledge the contribution to the development of the 2013 exhibition program by the SASA Gallery Programming Committee; and funding support from Professor Mads Gaardboe, Head, Art, Architecture & Design, and Professor Pal Ahluwalia, Pro-Vice Chancellor, DIVEASS, UniSA.

The SASA Gallery has received significant organisational support of the exhibition titled *Transit Lounge*. Special thanks to the external scholar, curators, artists and performers for their participation in this exhibition, catalogue and associated events; the SASA Gallery staff and the Technical Officers. I would like to thank the FEAST Festival, Adelaide University, University of Western Australia and Perrini Estate for their generous support.
