ABOUT STUDENT EXPERIENCE GRANTS

The University of South Australia wants to create an outstanding student experience. The Student Experience Grants initiative seeks to promote student engagement and enhance the overall student experience at UniSA. This program offers support for the planning and delivery of initiatives that are aimed at improving the student experience at UniSA and ensuring they are ready for the workforce upon graduation.

Student Experience Grants will be open throughout the year – applications never close! Different grants categories will be assessed at set times. Please see the more detailed information under the Important Dates heading for details of assessment times.

PURPOSE

The Student Experience Grants program aims to support initiatives that will enhance the student experience and employability at the University of South Australia. More specifically, successful initiatives will be those that provide opportunities for students to:

- Develop the non-academic (or extra-curricular) student experience through;
  - Enhancing campus vibrancy
  - Supporting clubs and societies to run engaging and different engagement events
  - Supporting innovative employability and personal development programs

INITIATIVE ELIGIBILITY

In order to be eligible the initiative:

- Must aim to enhance the student experience for groups of UniSA students (except for Small Grants [Leadership Grant] which can be applied for by individual students)
- Must be able to be covered by UniSA’s insurance
- Must be compliant with the SSAF Guidelines (see below)
There are three (3) different categories of Student Experience Grants. A maximum of $5000 across all categories will be approved for an individual club, school, division or unit of UniSA in a calendar year. Each submission will only be able to apply for funding from one of the three categories.

**Activity Grant**
Activity Grants support the delivery of initiatives that will enhance campus vibrancy, student leadership, employability and student engagement with UniSA. Activity Grants can be applied for by students involved in USASA and UniSA Sport Clubs and School or Unit supported Student Clubs and Groups. UniSA Staff may also apply on behalf of Divisions, Schools and Units of UniSA to assist with the delivery of student-focused initiatives.

Following feedback from staff, staff-led Activity Grant applications may apply for up to $2,500 to contribute to the cost of a Graduate Intern to assist with the planning, coordination and evaluation of a student engagement activity. Graduate Interns must be current (near-completed) students or recent UniSA graduates and coordinated through the UniSA Career Services Intern Program. Please contact Careers Services on 8302 7860 for more details.

**Maximum Grant Amount:** $2500

**Equipment Grant**
Equipment Grants are offered to student clubs and societies that are looking to purchase equipment to assist with the delivery of student-focused, club-based activities. Equipment Grants are only available to students – staff wishing to apply for this category should seek to collaborate with a student club to ensure their initiative is eligible.

**Maximum Grant Amount:** $1000

**Small Grant**
Small Grants will require applicants to complete a different application form. Small Grants will be limited to a $500 maximum and the application process will be simplified. Small Grants will only be made available to students and student clubs. A club/individual can receive a maximum of $500 through the Small Grants program in a calendar year. Small Grants will have three (3) sub-categories:

- **Leadership Grant** - To provide groups or individual students to participate in leadership development activities. APPLICATION PROCESS

STUDENT EXPERIENCE GRANTS
The process for Student Experience Grants has recently changed slightly. Applicants can now submit an Expression of Interest (EOIs) which will outline the broad concept for the initiative without needing to provide explicit detail. Expressions of Interest will be assessed up to three times per year. The Grants Assessment Panel will assess the Expressions of Interest based on the following factors:

- Will the initiative enhance the non-academic student experience for UniSA Students?
- Has the initiative (or a similar initiative) received funding previously?
- Is the initiative happening on campus?
- Will the initiative enhance campus vibrancy?
- Has the applicant received funding recently?
- How many UniSA students will the initiative engage?
- What is the cost of the initiative per student engaged?
- Does the initiative have the support of a recognised Division, School or Unit of UniSA or USASA?

Applicants whose EOIs which adequately meet the above criteria will then be asked to continue with their planning and to provide a more detailed budget and project plan prior to the grant being approved. Student Experience Support Officers and USASA Staff will be available to assist with this process. This process has been introduced to save staff and students needing to go through an extensive grant application process if their application is unlikely to be approved. Please note that the approval of an acceptable Expression of Interest does not guarantee that the grant initiative and payment will be approved.

SMALL GRANTS
Applicants need to complete and submit the Small Grant application form by 5pm on the last Friday of each month. Applicants will be informed of the outcome, usually within one week of the closing date. Successful applications will be assessed by similar criteria to the Student Experience Grant with the following additions:

SMALL GRANT (LEADERSHIP)
CASE STUDY
Steven is studying Public Relations and is also in charge of Social Media and website communications for the UniSA Ballet Club. Steven applies for a $500 Leadership Grant to attend the 3rd Annual Social & Digital Media for Young Professionals Conference in Sydney.

Registration will cost $350, airfares $200 and accommodation $150 for two nights. Steven’s club has agreed to use $200 of their club reserves in addition to the $500 to ensure his only expenses will be food and drink.

Steven was successful because he has the support of UniSA Sport and was able to demonstrate how the skills he would learn at the conference would benefit current and prospective members of the Ballet Club through his increased ability to design and communicate through the club’s website and social media channels. He also agreed to share his notes with other clubs at the next UniSA Sport Delegates Meeting.
• Generally a club will only be able to receive one Small Grant per annum (or up to $500 over multiple grants);
• Small Grants are available to students only;
• Leadership Grants must demonstrate how the applicant will be able to use their experience to benefit other UniSA students.

**ENDORSEMENT OF GRANT SUBMISSIONS**

All grant submissions must be endorsed by the relevant UniSA or USASA staff member prior to approval. Appropriate endorsers can be found in the table on the following page.

**PAYMENT OF GRANTS**

Successful applicants will receive email notification from the Student Experience team. You will then be sent a Payment Conditions document detailing the terms and conditions of the funding provided. Once the agreement has been signed and returned to the Student Experience team you can commence your project. Payment will be made in accordance with the terms and conditions of the Payment Conditions.

Initiatives funded by Student Experience Grants will need to be completed within the calendar year that the grant was paid. Any unspent funds in that calendar year must be returned to the Student Experience Grant cost centre.

**UNSUCCESSFUL APPLICATION**

All ineligible or unsuccessful applicants will receive written notification at the same time as successful applicants. Specific feedback on your application will be available upon request. You may resubmit your application for the next round of grants if desired.

### Student Experience Grant Case Study

The International Student’s Club received a $1000 grant to assist with the delivery of a student basketball tournament. The grant was used to produce posters which were placed around campus and the club members worked hard to promote the event through social media and word of mouth. The club purchased inexpensive playing t-shirts for each team, some small prizes and trophies for winning teams and used the remainder to go towards a BBQ at the end of the day. The tournament was held at the Mawson Lakes Sports Centre (at no cost to the club). The club also charged a small entry fee per team ($5 per player) and a gold coin donation for BBQ and drinks, which went back into the club account for future events. Twelve teams and over 70 students participated in this tournament which remains one of the most successful student-led events to date.

FREQUENTLY ASKED QUESTIONS (FAQS)

Can applications be submitted after the closing date?
Applications for exceptional initiatives submitted after the closing date for each assessment period may be considered with the approval of the Deputy Director: Student Experience. Applications submitted after the closing date will automatically be carried over to the next assessment period, unless otherwise notified by the applicant.

What is the approval process for grants applications?
Grants applications received by the due date will be assessed by a panel against the guidelines and conditions of the grants program. The grants panel will then forward their recommendations for funding to the Deputy Director: Student Experience.

Is there any right to appeal an unsuccessful application?
Applicants may seek feedback on their unsuccessful application and in exceptional circumstances; the application may be reconsidered for approval.

Can applications be made for individual activities or pursuits?
With the exception of the Small Grants (Leadership Grant) category, the Student Experience Grants program is designed to benefit groups of students, not individuals. Therefore applications for individual activities and/or pursuits cannot be considered.

Can external/CRE students apply for funding to attend city-based events?
The grants program is not intended to be used solely for transport for students to attend events. The engagement of CRE and external students refers to regionally-based events targeting these specific student cohorts. Funding for travel purposes will be granted at the discretion of the Deputy Director: Student Experience.

Who needs to support the grant applications before submission?
Please see the Grant Initiative Endorsement table on Page 7 of this document.

Can I apply for funding to cover the time I will be working on the initiative?
Student Experience Grants will not cover salaries, wages or honorariums for UniSA staff or students. Only external, independent contractors and professional fees may be included in the application budget. Staff time may be entered as “in-kind” support. Staff-led applications may include an Intern Allowance in their application.

Can you explain the Intern Allowance?
Based on feedback received from some staff, an Intern Allowance has been introduced to assist staff to provide graduate internships within their Division, School or Unit to assist with the planning and/or implementation of student engagement-based initiatives. A maximum of $2500 can be used within the Student Engagement (Staff-Led) or the Creative and Performing Arts grant categories. Internships must be coordinated in liaison with the UniSA Careers Services team (phone: 8302 7860).
Can Student Experience Grant support Pub Crawls?
For liability reasons, Student Experience Grants cannot be used to support any aspect of pub crawls, including the provision of food, clothing or entertainment. West Bar (phone: 8302 0629) has special offers in place for applicants wishing to start pub crawls from that venue.

What can be covered under catering? Can alcohol be included?
Applicants can use Student Experience Grants to assist with the cost of catering, however applicants must be aware that the provision or subsidisation of alcohol for students, staff and guests is not permitted. Requests for funding to cover catering should be accompanied by a quote from a venue/caterer.

Does my initiative have to be held on UniSA grounds?
In short, no – however all applicants are strongly encouraged to investigate suitable locations on campus for their initiative. Indeed, preference will usually be given to applications that are being held on campus. Potential venues that may be available at little or no cost to staff and students include:

- West Bar (City West)
- Bradley Forum (City West)
- Kerry Packer Civic Gallery (City West)
- Brookman Hall (City East)
- Sports Centres (Magill and Mawson Lakes)
- Hartley Playhouse (Magill)
- Smart Building Forum (City West)
- Lecture theatres and outdoor areas (all campuses)

How do I book UniSA Facilities?
To book UniSA facilities please contact FM Assist on your campus:

City East – 8302 2261
City West – 8302 0555
Magill – 8302 4762
Mawson Lakes – 8302 5055

Will I receive feedback on my application?
Due to the large number of applications submitted it is not possible for the Student Experience team to provide feedback for all applications. However staff will certainly attempt to provide feedback on applications upon request. The Student Experience Support Officers in each Division (see the Further Information section) are available to provide some guidance and support for students and staff completing the application process.

Why do I have to contact a support officer about my application?
Senior management of the Divisions have requested to be made aware of all staff-led applications submitted from their area. Support Officers will be able to feed this information back to management and assist with application, ensuring you have the best chance possible of being successful. This is also required for student applications.
