| 2:30 pm| Welcome and overview of Forum program (10 min)  
**Prof. Steffen Lehmann**, Director sd+b Centre, UniSA and  
**Janet Dibb-Leigh**, Senior Advisor, Strategic Research Partnerships, UniSA |
| 2:40 pm| Welcome and Introductory to topics (10 min)  
**Vaughan Levitzke**, Zero Waste SA |
| 2:50 pm| Research Strategies  
**Assoc. Prof. Christine Garnaut**, Assoc. HoS: Research, AAD, UniSA (10 min) |
| 3:00 pm| **Kelvin Trimper**, Chair of the Advisory Board, sd+b Centre (10 min) |
| 3:10 pm| Current and emerging research priorities of the Zero Waste SA Research Centre for Sustainable Design & Behaviour (sd+b), Prof. Steffen Lehmann (15 min) |
| 3:25 pm| **Industry view**: How big is the industry? What kind of research does industry need?  
**Dr Chris Colby**, Rawtech (10 min) |
| 3:35 pm| **Local government view**: What are local government’s expectations?  
**John Harry**, CEO, Salisbury Council (10 min) |
| 3:45 pm| **Discussion with participants**: Future research streams and agendas (15 min), moderated by Janet Dibb-Leigh |
| 4:00 pm| **Researcher Workshop** (40 min): Breakout in 4 groups with different topics and interdisciplinary focus, working across boundaries. Outline opportunities for collaboration and potential formation of specific working groups, arranged by topic. The workshop will focus on the following research topics:  
1. Social sustainability, consumption and behavioural change  
2. Sustainable urban development, urban form & design, incl. urban micro climates and demand forecasting. Building and green construction, low carbon materials and material flow  
3. Alternative technologies (e.g. anaerobic digestion; urban farming; stormwater harvesting)  
4. Waste streams: solutions to difficult wastes (e.g. what do people have in their homes? What is difficult to dispose of safely?). Resource recovery, alternative collections for multi-unit dwellings and multi-use complexes |
| 4:40 pm| **Group feedback and discussion**, moderated by Janet Dibb-Leigh (20 min)  
4 x 5 min reporting back from 4 groups |
| 5:00 pm| Wrap-up and Summary  
**Vaughan Levitzke** and **Prof Mads Gaardboe**, HoS: AAD |
| 5:15–6:30 pm| End of Researcher Forum  
**You are invited for networking, drinks and nibbles** |
