STUDY AND CAREER
GUIDE | 2019

STUDY WITH THE BES

The University of South Australia (UniSA) has over 31,000 students and a footprint across the state with four metropolitan and two regional campuses located in Whyalla and Mount Gambier. We partner with over 2,500 companies worldwide to bring our students placement, project, research and work opportunities to ensure our graduates are career-ready.

We are a young institution with an innovative approach to educating tomorrow's professionals and providing solutions for a changing world.

We are Australia's University of Enterprise.

DISCOVER WHYALLA

Study at South Australia's largest regional university campus. Situated on a 22-hectare site, UniSA's Whyalla Campus is the major centre of tertiary education for the western and northern regions of the state.

Experience flexible learning and quality teaching with the benefit of a relaxed lifestyle, lower living costs, practical learning opportunities, small class sizes, tailored support services and a strong community connection.

We offer degrees in key areas such as education, nursing and social work, reflecting the needs and priorities of the region.

unisa.edu.au/whyalla

GET CAREER READY

We take a practical approach to teaching and learning so that our graduates can make a real impact in their chosen field. Take part in internships and placements, student exchange programs and volunteer opportunities during your studies. Our Career Services team is also there to support you and get you ready for the workplace.

CONNECTED LEARNING

Benefit from smaller class sizes. Get more one-on-one time with your lecturers and tutors, and additional support when needed. Our highly-experienced teaching staff are also there to help students studying a blended mode of online and on-campus learning.

The Whyalla Campus is also home to one of the nation's fastest network systems, ensuring that students are well connected and have access to the best internet resources during their studies.

FLEXIBLE STUDY

Benefit from flexible learning including online, part-time, blended and accelerated study. Tailor your degree so that you have time to travel, work and study from any location. We offer flexible degrees, online courses within your degree and 100% online degrees through UniSA Online (see page 15). Students studying online can access all campus facilities in Whyalla including computer pools, library resources and student support services.

FACILITIES AND SPACES

We have invested heavily in our campus facilities to provide purpose-built learning spaces for our students. The Whyalla Campus features health laboratories, providing an optimised clinical training experience, along with simulated classrooms for education students to practise in-class activities with unique display spaces and a smart board. We have also invested in new campus upgrades totalling over \$500,000 including a Green Screen Recording Studio and fully-equipped Technology Suite. There is also an on-campus library, computer pools, study desks, meeting spaces, recreation areas and on-site accommodation.

STUDENT EXPERIENCE

It is important that you feel supported during your studies. Students have access to a full-range of services including study support, personal counselling, disability services and career services. Our Campus Central teams are located on-site and can point you in the right direction. We also have tailored services for Aboriginal and Torres Strait Islander students including study assistance and mentoring opportunities.

Connect with our social media platforms to stay up-to-date with what's happening on campus including workshops, events and the latest university news.

Bachelor of NURSING (WHYALLA) IBNU

ON-CAMPUS/ONLINE W 3 PT Hunisa.edu.au/nursing-midwifery

ENTRY

SATAC code	464071
Selection Rank (ATAR)	66.45
Guaranteed Entry:	
Selection Rank (ATAR)	70
Selection Rank (VET)	n/a
Prerequisites	none
Assumed knowledge	none
Start date(s)	February

Graduate as a Registered Nurse and make a positive contribution to the healthcare sector.

Develop the knowledge, skills and attitudes needed for professional practice in a range of settings.

Learn in our unique clinician led, authentic simulated hospital and health service on-campus.

Complete more than 1,000 clinical hours throughout your studies.

CAREER OPPORTUNITIES

Registered nurses can work in a variety of healthcare settings, including:

Hospitals / primary health and community support services / aged and rehabilitative care / schools / home care / drug and alcohol treatment centres / community health organisations

IMPORTANT INFORMATION

Students must have the following to fulfil the requirements for clinical placements:

- Hold a current National Police Certificate (NPC), through SAPOL (or their home state police service) and Department for Communities and Social Inclusion Child-Related Clearance;
- Provide evidence of your immunisation status; and
- Meet the University's 'Fitness to Practice in Clinical Placements' requirements.

All students enrolled in a program leading to professional registration must also be registered with the relevant national board. The University will process the required registration with AHPRA.

For more information visit unisa.edu.au/clinical-placements

PROFESSIONAL ACCREDITATION

Graduates satisfy the academic requirements for registration as a Registered Nurse with the Nursing and Midwifery Board of Australia (NMBA).

ADMISSIONS PATHWAYS

Alternative entry options are available through the Foundation Studies program or Diploma in Health offered by UniSA College.

Diploma and Certificate IV (Enrolled / Division 2 Nursing) graduates may be eligible for study credit based on their qualification and registration with the NMBA as an Enrolled Nurse.

RELATED DEGREES

- Bachelor of Midwifery
- Bachelor of Social Work (Whyalla)
- Bachelor of Early Childhood Education (Honours)(Whyalla)

FURTHER STUDY

- Graduate Certificate in Nursing (various specialisations)
- Graduate Diploma in Mental Health Nursing
- Master of Nursing
- Masters by Research
- Doctor of Philosophy (PhD)

PROGRAM STRUCTURE

FIRST YEAR – KNOWLEDGE, SKILLS AND ATTITUDES FOR UNDERSTANDING

Being a Health Professional
Human Body 1
Global and National Health

Human Body 2
First Peoples' Health
Mental Health
Experiential Learning Activity: Preparation for Clinical Practice Practicum 1

SECOND YEAR – KNOWLEDGE, SKILLS AND ATTITUDES FOR INTERVENTION

Health of Older Adults
Scientific Basis of Clinical Practice
Experiential Learning Activity: Older Adults Practicum 2

Health of Adults
Health of Infants, Children and Young People
Experiential Learning Activity: Acute Care Practicum 3

THIRD YEAR – KNOWLEDGE, SKILLS AND ATTITUDES FOR PROFESSIONAL PRACTICE

Research Methodologies
Nursing Contexts of Practice
Experiential Learning Activity: Extension to Practice Practicum 4

Becoming a Registered Nurse
Experiential Learning Activity: Transition to Practice Practicum 5
Nursing Project

Students may be required to undertake a combination of on-campus or online study. Students may be required to attend on-campus lectures, tutorials and practicals.

Bachelor of SOCIAL WORK (WHYALLA) MBSW

ON-CAMPUS/ONLINE W 4 PT H unisa.edu.au/social-work

ENTRY

SATAC code	464081
Selection Rank (ATAR)	66.45
Guaranteed Entry:	
Selection Rank (ATAR)	70
Selection Rank (VET)	DIP
Prerequisites	none
Assumed knowledge	none
Start date(s)	February

Prepare for a professional career in social work.

Learn to enhance the wellbeing of others through advocacy, social change, relationship building and empowerment.

Focus on four major study areas including social work theory, social work practice and skills, social policy, and social research.

Gain practical experience through our social work studios located on campus and complete 1,000 hours of supervised field placements.

CAREER OPPORTUNITIES

Aged care worker / child and youth welfare officer / community development officer / disability worker / rehabilitation officer / healthcare worker / court services officer / cultural diversity officer / social planner / social worker

IMPORTANT INFORMATION

Students will be required to obtain a National Police Clearance and a National Criminal History Check from the Department for Communities and Social Inclusion (DCSI). You must also hold a current Child Safe Environments Certificate. Some placements may also require a current driver's licence and a recognised First Aid Certificate.

PROFESSIONAL ACCREDITATION

This degree is accredited by the Australian Association of Social Workers (AASW) and graduates are eligible for full membership.

ADMISSIONS PATHWAYS

Alternative entry options are available through the Foundation Studies program, Aboriginal Pathways Program, or Diploma in Arts offered by UniSA College.

RELATED DEGREES

- Bachelor of Social Work (Honours)
- Bachelor of Social Science (Human Services)
- Bachelor of Early Childhood Education (Honours) (Whyalla)
- Bachelor of Primary Education (Honours) (Whyalla)
- Bachelor of Psychological Science (Counselling and Interpersonal Skills)

FURTHER STUDY

- Masters by Research
- Doctor of Philosophy (PhD)

Note: To be considered for either of these programs, students must successfully transfer to and complete the Bachelor of Social Work (Honours) (MBSW) prior to their fourth year of study in the Bachelor of Social Work (Whyalla) (MBSW).

PROGRAM STRUCTURE

FIRST YEAR

Human Service Provision
Communication Skills in Social Work and Human Services
The Social World
Child Development

Governance and Citizenship in Australia
Group Work
Applied Psychology
Free Elective

Interviewing Skills in Social Work and Human Services

Mental Health and Mental Wellbeing
Preparation for Field Placement
Working with Community
Human Service Workers and the Law

THIRD YEAR

Indigenous Australians and the Human Services
Social Work Field Education 1

Advanced Practice in Social Work
Contemporary Practice Approaches
Policy Practice
Working with Human Service Organisations

FOURTH YEAR

Leading and Managing in Human Service Organisations
Child Centred Practice
Social Work with Older People
Rural Social Work

Social Work Field Education 2
Professional Development

Students will undertake this program as a blend of online and face-to-face study. Placements must be completed at the allocated placement site.

WHYALLA HOSPITAL

“

Georgia wanted to build a career helping people and knew that she wanted to become a nurse.

“I love knowing that I am helping people and making a difference in someone's life even if it's by doing something simple for them. Making an impact on a patient and their family is truly amazing.

“I thoroughly enjoyed my placements - it's where I got to put the skills I learnt into practice. It's great getting the experience firsthand while being supported by amazing nurses who impart their knowledge on you.

“The teaching staff at UniSA are also very dedicated and they make sure that each student is supported, making the whole uni process a bit easier.”

Working as a Registered Nurse at the Whyalla Hospital, Georgia is continuing to learn new things every day. Her main career aspiration is to work in accident and emergency nursing.

”

Georgia Looyestyn / BACHELOR OF NURSING

For more information and updates on the program structure, visit unisa.edu.au/new

Paige has always had a passion for working with children, so she decided to become a primary school teacher.

“I have always enjoyed getting that “ah-ha” moment from students when they finally understand something new. I wanted to be the person to help others achieve these moments in their life and education.”

During her studies, Paige completed multiple placements and also benefited from flexible learning.

“I completed a placement each year during my degree, which was really beneficial because I learn best in a hands-on environment. I also attended a study tour in Singapore and was able to see different teaching and learning styles.

“I loved the fact that I didn’t have to be on campus everyday if I didn’t want to be. I could do the majority of my studying from the comfort of my home and it allowed me to maintain a reasonable amount of working hours to support myself.

“The feeling of all that hard work and long hours finally paying off is indescribable.”

Paige is now working as a teacher and her advice to new students is to commit fully, be intrigued and take in as much information as possible.

Paige Peden / BACHELOR OF EDUCATION (PRIMARY)

YOUR PATHWAYS

There are many ways regional students can gain entry into university. Whether you have no previous qualifications or you have already studied at a tertiary level through university, TAFE or another Registered Training Organisation (RTO), UniSA offers a range of alternative pathways into university study.

unisa.edu.au/pathways

**Explore all of
your options at**

unisa.edu.au/pathways

UniSA COLLEGE

UniSA College offers educational programs that can help you gain direct entry into a UniSA degree. These programs will prepare you for university study by building your academic skills and prerequisite knowledge. You will experience life as a UniSA student, be taught by UniSA staff and have access to a full-range of support services. By successfully completing your UniSA College program, you will then be able to seamlessly transfer into an undergraduate degree at UniSA.

See page 9 for more information.

unisa.edu.au/college

VET GRADUATES

A completed Certificate IV, diploma or advanced diploma from TAFE or another Registered Training Organisation (RTO) may be all you need to apply for a UniSA degree. If your completed VET award meets the UniSA Guaranteed Entry score, you have met the prerequisites and any specific entry requirements, and you have listed the degree as your first preference, you are guaranteed an offer. If you are successful in securing a place in a relevant UniSA degree, you may also be eligible to receive credit for your previous study, typically reducing the time it takes to complete the program.

ALTERNATIVE OPTIONS

- Linked SAIBT diploma
- Completion of courses through Open Universities Australia
- Tertiary transfer

SPECIAL TERTIARY ADMISSIONS TEST

If you do not have a competitive result from Year 12, TAFE/RTO or previous university study, you may qualify for special entry into your preferred UniSA degree by choosing to sit the STAT – a two-hour test made up of 70 multiple choice questions designed to test your aptitude for tertiary study. Your results will be used to create a ranking that you can then use to compete for entry against other special entry applicants. To be eligible you must be aged over 18 years by 1 February (or 1 July for midyear entry) in the year you wish to commence your study. UniSA also offers full-day workshops to help you prepare.

ADJUSTMENT FACTORS

UniSA offers adjustment factors (formerly known as bonus points) to high school students applying for entry into a UniSA degree. Additional points are based on set equity factors and/or subject choices.

unisa.edu.au/adjustmentfactors

GUARANTEED ENTRY

If your Selection Rank (ATAR) or VET award meets the UniSA Guaranteed Entry score, you have met any prerequisites and any specific entry requirements, and you have listed the UniSA degree you want to study as your first preference, you are guaranteed an offer of entry.

unisa.edu.au/guaranteed

**VISIT OUR ONLINE
CREDIT ASSESSOR**

unisa.edu.au/credit

See an instant snapshot of how your qualifications may count towards your UniSA degree. If your award is not listed, please contact Future Student Enquiries on (08) 8302 2376.

Prerequisites.....none
Assumed knowledge.....none

This is a free* one-year program with no minimum entry qualifications required.

Develop the skills needed to study at a tertiary level.

Learn about how university works, how to write and reference academic assignments, and manage your time effectively.

Gain discipline-specific skills and important base knowledge, so you can continue your university studies.

Successfully complete the program and use your Grade Point Average (GPA) to apply for any UniSA degree (a competitive GPA is required).

**Students will be required to pay the Student Services and Amenities Fee determined by the Australian Government.*

STUDY AREAS

You can study five elective courses for an introduction into the study areas you may be interested in. Study areas include:

- Business
- Education, Arts and Social Sciences
- Engineering and the Environment
- Health Sciences
- Information Technology

FURTHER STUDY

After successfully completing the Foundation Studies program, you can use your GPA score to competitively apply for one of UniSA's world-class degrees in an area of your choice. Students have the option of studying locally in Whyalla, choosing a flexible online degree or relocating to Adelaide depending on their chosen program. To learn more about our degrees, visit unisa.edu.au/study

ENTRY REQUIREMENTS

No formal minimum entry requirements apply. However, applicants who have not completed SACE or a Certificate III must be 18 years of age or over before:

- February 1st for study period 2; or
- July 1st for study period 5 (midyear entry).

Programs include:

- Diploma in Arts
- Diploma in Business
- Diploma in Health
- Diploma in Science and Technology

"I can't believe how far along I am because I never thought I would be going to university. But now I am. I'm really excited about completing this and then starting my next journey into further studies. There's a whole world out there waiting for me."

Susie Betts

Graduate,
Aboriginal Pathways Program

STUDENT EXPERIENCE

SUPPORTING YOU

We are here to support you. We offer a full-range of personal, academic and social support services to help make your life at university easier.

Study support

We want you to succeed in your studies, so there are a variety of study support services available. You can access online learning resources, speak with a learning adviser, get peer-to-peer support, connect with a mentor, and even receive free after-hours online tutoring for help with writing, referencing, and more.

Personal counselling

All UniSA students can access free and confidential face-to-face counselling to help manage a personal issue or to talk through any pressure points during your time at university. We partner with local providers so that you can get independent support and advice.

Disability services

Our extensive access and inclusion services span from facilities and access requirements through to developing an individual Disability Action Plan with a dedicated disability adviser for any student with a physical disability, mental health issue or medical condition.

unisa.edu.au/access-inclusion

Wurringka Student Services (WSS)

We have teams to support the specific needs of our Aboriginal and Torres Strait Islander students. Services include tutorial assistance, a mentorship program, scholarships and grants, dedicated study spaces, and access to learning advisers both on-campus and online. We also have a Wurringka Aboriginal Student and Community Engagement Officer based on campus to provide tailored support.

unisa.edu.au/Wurringka

Career services

Connect with an adviser and plan your professional career. Check the online Career Services Portal for placement, internship and job opportunities available. Get the latest news, resources and updates on workshops and events via our careers website. You can also attend workshops and book one-on-one appointments with career advisers in-person, online or by phone.

unisa.edu.au/careerservices

Safezone app

SafeZone

All UniSA students can download the free SafeZone app, providing additional security and support when studying on campus. The app allows you to get help quickly in a personal emergency or if someone else needs first aid or general assistance. You can check-in when working alone, after hours or in high risk areas, which shares your status with an on-site response team. You can also receive notifications so you know what to do in an emergency situation.

unisa.edu.au/safezone

**For more
information visit**

unisa.edu.au/regional-support-whyalla

Scholarships

Over 2,500 students benefit each year from scholarships at UniSA. There are scholarships available specifically for regional and rural students, including assistance with relocation costs and grants to support studying and placements. Go online to check your eligibility through our scholarships search engine.

unisa.edu.au/scholarships

LIFE ON CAMPUS

Your time at university is not just about lectures, tutorials and assignments; there are many other activities to balance out your studies.

Campus culture

Tap into a range of social activities, clubs and volunteering opportunities as well as cheap breakfast and movie nights on campus. There is also a café and student lounges located on-campus for you to study or socialise.

Events and workshops

We host several events throughout the year kicking off with a Welcome Party as part of Orientation Week. Other events on the calendar include celebrations for Multicultural Week and Reconciliation Week, weekends away, interactive family days on-campus and other off-site social events. There are also learning workshops hosted on campus and through virtual classrooms.

Global exposure

Add an international perspective to your studies through a student exchange, field trips, study tour, conference or short-term program at one of our partner institutions overseas.

UniSA Sport

Meet new people and become part of a team through UniSA Sport. Take some time away from your study and get involved with sports like mixed netball or volleyball.

USASA

Connect with the University's student association, USASA, providing unique services and a voice for all students. From student representation and advocacy to selling second-hand text books, organising social events and running the student magazine, USASA can help you get more out of your student experience.

unisa.edu.au/studentlife

ACCOMMODATION

The Whyalla Campus features on-site accommodation at the Student Residential Village. Students have their own bedroom and share a bathroom with one other student. A fully-furnished kitchen and common living area means you can interact and study with your peers. Lecture and tutorial rooms are only a short walk away and the complex is monitored by on-going security. Off-street parking is available along with a lockable storage shed suitable for bicycles and other items. A BBQ area, volleyball court and basketball court complete the space and help to create a fun and balanced lifestyle.

Applications are also accepted for shorter and longer term stays at a very affordable cost.

Find out more at unisa.edu.au/studentvillage

IN THE COMMUNITY

HEALTH AND WELLBEING

In 2018, we opened the new UniSA Rural Health Clinic, which currently offers podiatry services to help meet local community needs and access to services. The clinic also supports student placements and reduces waiting times for local residents. The clinic is open to the public, and can assist with general treatments, sports, and children's services.

INDUSTRY COLLABORATIONS

UniSA has rolled out its unique Future Industries Accelerator (FIA) program in Whyalla, which encourages effective and sustainable collaborations between the University and industry. The program assists local industries in building their R&D capacity to accelerate growth and create high-value jobs. The University's world-class Centre for Business Growth has also been focusing on business development programs in the region, with initiatives designed to boost local skills in leading and managing growth in a global marketplace.

PROMOTING EDUCATION

UniSA's School of Education has partnered with local schools and education precincts to encourage postgraduate studies, shared teaching arrangements, innovative student placement opportunities, and extensive on-campus engagements. One project will see local teachers, supported by their schools, enrol in postgraduate qualification trials where UniSA academics provide intensive workshops at the Whyalla Campus to support the online coursework.

SPONSORSHIPS

We support a wide variety of local clubs and initiatives, celebrating the local community spirit.

Whyalla Hockey Association
Whyalla Football League
Port Lincoln Football League
High Academic Achievement Awards
Whyalla Chamber of Commerce
Brand SA Awards
Science Alive
Science and Engineering Challenge
Whyalla Players
Whyalla Tourism Advisory Group
Youth Opportunities

"The Whyalla City Council enjoys a close working relationship with UniSA and the Whyalla Campus. We have common regional goals of improving access to tertiary education and providing opportunities for people who are not able to relocate to attend university. Encouraging people to live, study and work in our region provides additional benefits for the individual and for our community."

Chris Cowley
CEO, Whyalla City Council

RELOCATING TO ADELAIDE

As a regional student, you can also choose to relocate and study at one of the UniSA campuses in Adelaide. Depending on your chosen degree you might be based at City West, City East, Magill or Mawson Lakes.

Here are some useful tips to help you make a smooth transition.

BEFORE YOU ARRIVE

Explore your study options

Go online and find out more about the degrees we offer including entry requirements, what courses you will study, career outcomes and more.

unisa.edu.au/study

Check for scholarships

UniSA offers a wide range of scholarships including rural and regional specific grants, like the UniSA Rural Connect Scholarships, which helps students to fund their relocation. Research these options early so you can apply for assistance.

unisa.edu.au/scholarships

Look into accommodation

There are a variety of student accommodation options available including UniSA's new Student Accommodation by urbanest, offering modern apartments in the Adelaide CBD. It is important to start this process early, so visit our website and connect with one of our dedicated advisers.

unisa.edu.au/accommodation

AFTER YOU HAVE MADE THE MOVE

Access support services

From administration assistance to personal health and help with essay writing, UniSA has expert support services available to you throughout your studies. Check out resources available online or visit your local Campus Central.

unisa.edu.au/student-services

Have a travel plan

Take the time to map out how you will get to and from campus. You can make the most of Adelaide being a smaller capital city and drive, cycle or catch public transport. Parking at the suburban campuses is very affordable, and bike storage and showers are available at all campuses. A Campus Connector bus service also runs between the Magill and Mawson Lakes campuses.

unisa.edu.au/campus-facilities

Plan your career

Our Career Services team can help you find paid or unpaid volunteer, internship and employment opportunities. Attend workshops and events throughout the year to develop your professional knowledge and skills.

unisa.edu.au/careers

Consider an exchange

Get more out of your studies by completing a student exchange, global volunteer program, field placement or leadership program overseas. Travel grants are available and links to international institutions can lead to further study or even employment opportunities in another country.

unisa.edu.au/globalopportunities

STUDY ONLINE

Tailor your degree so that you have time to travel, work and study from any location. We offer over 70 flexible online degrees (noting some on-campus study may be required) and 100% online degrees through UniSA Online. Students studying online also have the benefit of accessing campus facilities if they choose, including computer pools, library resources and student support services.

For more information about our flexible degrees visit:
unisa.edu.au/study
