The University of South Australia (UniSA) is the state’s largest university with over 31,000 students and a footprint across four metropolitan and two regional campuses, located in Whyalla and Mount Gambier.

We are a university for all South Australians, with a strong focus on creating greater access to higher education. We are also a young institution with an innovative approach to educating tomorrow’s professionals.

We partner with over 2,500 companies worldwide to bring our students placement, project, research and work opportunities. You will learn in a highly practical and supportive environment to ensure you are a career-ready graduate, ready to take on the challenges of a changing world.

We are Australia’s University of Enterprise.
EXPLORE YOUR STUDY OPTIONS

We deliver world-class education to all students, whether you are in a regional community or capital city. You can study locally at our Whyalla Campus; online so you can stay close to home or have the flexibility to travel; or you can explore one of our 200+ degrees offered at one of our metropolitan campuses in Adelaide.

STUDY AT WHYALLA CAMPUS

DISCOVER WHYALLA

Study at South Australia’s largest regional university campus. Situated on a 22-hectare site, UniSA’s Whyalla Campus is the major centre of tertiary education for the western and northern regions of the state.

Experience flexible learning and quality teaching with the benefit of a relaxed environment, practical learning opportunities, small class sizes, tailored support services and a strong community connection.

We offer degrees in key areas such as education, nursing and social work, along with pathway programs, reflecting the needs and priorities of the region.

unisa.edu.au/whyalla

GET CAREER READY

We take a practical approach to teaching and learning so that our graduates can make a real impact in their chosen field. You can take part in internships and placements, student exchange programs and volunteer opportunities during your studies. Our Career Services team is also there to support you and get you ready for the workplace.

CONNECTED LEARNING

Benefit from smaller class sizes. Get more one-on-one time with your lecturers and tutors, and additional support when needed. Our highly-experienced teaching staff are also there to help students studying a blended mode of on-campus and online learning. The Whyalla Campus is also home to one of the nation’s fastest network systems, ensuring that students are well connected and have access to the best internet speeds during their studies.

FLEXIBLE STUDY

Enjoy flexible learning through part-time, online and blended study options. This allows you to travel, work and study from any location. We offer:

- Flexible degrees with a combination of online/on-campus learning
- The option to choose specific online courses within your degree; and
- 100% online degrees delivered by UniSA Online.

Students studying online can access all campus facilities including computer pools, library resources and student support services. For more information see page 15.

CAMPUS FACILITIES

We have invested heavily in our campus facilities to provide purpose-built learning spaces for our students. The Whyalla Campus features health laboratories, providing an optimised clinical training experience, along with simulated classrooms for education students to practise in-class activities. We have also invested in new campus upgrades totalling over $500,000, including a Green Screen Recording Studio and fully-equipped Technology Suite. There is also on-campus computer pools, study desks, meeting spaces, recreation areas and accommodation facilities.

STUDENT EXPERIENCE

It’s important that you feel supported during your studies. Students have access to a full-range of services including study support, personal counselling, disability services and career services. Our Campus Central team is located on-site and can point you in the right direction. We also have tailored services for Aboriginal students including study assistance and mentoring opportunities.

PROGRAM CODE: IBNU | SATAC CODE: 464071
UniSA College pathways: Foundation Studies or Diploma in Health
Prerequisites: none
Assumed Knowledge: none

Become a Registered Nurse and make a positive contribution to the healthcare sector. Develop the knowledge, clinical skills and attitudes needed for professional practice in a range of settings. Benefit from a strong focus on theory and practical experience, including access to our unique clinician-led simulated hospital and health service on campus. Be prepared to meet healthcare delivery requirements for the 21st century and respond to Australian and international healthcare priorities and trends. Focus on four key areas of nursing practice during your studies, including collaborative and therapeutic practice, critical thinking and analysis, professional practice, and provision and coordination of care. Learn about cultural competence, evidence-based practice, mental health, primary health, professional communication, and safety and quality. Complete over 1,000 placement hours starting in your first year of study. Graduate with the academic requirements needed for registration as a Registered Nurse with the Nursing and Midwifery Board of Australia (NMBA).

Note: Students must fulfil the following requirements for clinical placements: Hold a current National Police Certificate and Department of Human Services Child-Related Clearance; provide evidence of your immunisation status; and meet the University’s Fitness to Practice in Clinical Placements’ requirements. All students enrolled in a program leading to professional registration must be registered with the relevant national board. The student registration process is undertaken by the University to the Australian Health Practitioner Regulation Agency (AHPRA) after enrolment. No fees apply. For more information, visit unisa.edu.au/health/ftp

CAREERS
Registered nurses can work in a variety of healthcare settings, including:
- Hospitals / primary health and community support services / aged and rehabilitative care / schools / home care services / drug and alcohol treatment centres / community health organisations

“I love knowing that I am helping people and making a difference in someone’s life even if it’s by doing something simple for them. Making an impact on a patient and their family is truly amazing.

“I thoroughly enjoyed my placements - it’s where I got to put the skills I learnt into practice. It’s great getting the experience firsthand while being supported by amazing nurses who impart their knowledge on you.

“The teaching staff at UniSA are also very dedicated and they make sure that each student is supported, making the whole uni process a bit easier.”

Georgia Looyestyn, nursing graduate
YOU MIGHT ALSO LIKE
- Bachelor of Midwifery
- Bachelor of Social Work (Whyalla)
- Bachelor of Early Childhood Education (Honours) (Whyalla)

FURTHER STUDY
- Graduate Certificate in Nursing — various specialisations

Nursing Contexts of Practice
Experiential Learning Activity: Extension to Practice Practicum 4

Becoming a Registered Nurse
Experiential Learning Activity: Transition to Practice Practicum 5
Nursing Project

Students may be required to undertake a combination of on-campus or online study. Students may be required to attend on-campus lectures, tutorials and practicals.

Prepare for a rewarding career in social work. Learn to enhance the wellbeing of others through advocacy, social change, relationship building and empowerment. Focus on four major study areas including social work theory, social work practice and skills, social policy, and research skills. Develop knowledge of various social work practices and their application with individuals, families, communities, groups and organisations. Learn how to identify the social policies that impact people’s lives and the strategic ways to implement change. Interpret, evaluate and conduct relevant social analysis exploring current real-world challenges. Access custom-built social work studios on campus and practise your skills through simulated scenarios. Gain valuable practical experience through work placements during your third and fourth years of study. Graduate with a degree accredited by the Association of Social Workers and be eligible for full membership.

Note: Students are required to undertake Criminal History Checks through the Department of Human Services (DHS) for working with children, in the Aged Care Sector and in Disability Services; obtain a SAPOL National Police Record Check and complete a one-day Child Safe Environments Course. Some placements may require students to hold a current driver’s licence, Mandatory Basic Life Support (BLS) training, vaccinations, or a recognised First Aid Certificate.

 PROGRAM CODE: MBSW | SATAC CODE: 4640B1
UniSA College pathways: Foundation Studies or Diploma in Arts
Prerequisites: none
Assumed knowledge: none

Build a rewarding career as an early childhood teacher. Graduate career-ready and with professional honours in just four years. Gain a competitive advantage through industry-relevant coursework, highly practical learning and applied research. Focus on the learning and development of children from birth to eight years of age. Develop foundational knowledge in education studies, curriculum planning, professional experience and leadership. Complete three courses in a primary specialism (Learning Area) of your choice to meet the national registration requirements (Reception to Year 2). Learning Areas include Arts, English, Mathematics and Science. Benefit from highly practical learning with 105 days of field based placements starting in your first six months of study, and take the opportunity to complete an overseas placement or study tour. Enjoy flexible learning including part-time and online study.

Note 1: Graduates can apply for teacher registration in South Australia, interstate and some overseas countries. Applicants should note that there are other criteria determining eligibility for registration by the Teachers Registration Board of South Australia and other registration and regulatory authorities. There are also specific non-academic and placement requirements for entry into this program. For more information, visit unisa.edu.au/ets-requirements

Note 2: Due to program structure and professional experience placements, students commencing midyear (July) study will complete their program in 4.5 years instead of 4 years.

“I have always enjoyed getting that “ah-ha” moment from students when they understand something new. I wanted to be the person to help others achieve these moments in their life and education.

“I completed a placement each year during my degree, which was really beneficial because I learn best in a hands-on environment. I also attended a study tour in Singapore and was able to see different teaching and learning styles.

“I loved the fact that I didn’t have to be on campus everyday if I didn’t want to be. I could do the majority of my studying from the comfort of my home and it allowed me to maintain a reasonable amount of working hours to support myself.”

Paige Peden, primary education graduate
YOUR PATHWAYS

There are many ways regional students can gain entry into university. Whether you have no previous qualifications or you have already studied at a tertiary level through university, TAFE or another Registered Training Organisation (RTO), UniSA offers a range of alternative pathways.

UniSA COLLEGE

UniSA College offers educational programs that can help you gain direct entry into a UniSA degree. These programs will prepare you for university study by building your academic skills and prerequisite knowledge. You will experience life as a UniSA student, be taught by UniSA staff and have access to a full-range of support services. By successfully completing your UniSA College program, you will then be able to seamlessly transfer into an undergraduate degree at UniSA. See page 9 for more information.

VET GRADUATES

A completed Certificate IV, diploma or advanced diploma from TAFE or another Registered Training Organisation (RTO) may be all you need to apply for a UniSA degree. If your completed VET award meets the UniSA Guaranteed Entry score, you have met the prerequisites and any specific entry requirements, and you have listed the degree as your first preference, you are guaranteed an offer. If you are successful in securing a place in a relevant UniSA degree, you may also be eligible to receive credit for your previous study, typically reducing the time it takes to complete the program.

SPECIAL TERTIARY ADMISSIONS TEST

If you do not have a competitive result from Year 12, TAFE/RTO or previous university study, you may qualify for special entry into your preferred UniSA degree by choosing to sit the STAT – a two-hour test made up of 70 multiple choice questions designed to test your aptitude for tertiary study. Your results will be used to create a ranking that you can then use to compete for entry against other special entry applicants. To be eligible you must be aged over 18 years by 1 February (or 1 July for midyear entry) in the year you wish to commence your study. We also offer full-day workshops to help you prepare.

ALTERNATIVE OPTIONS

- Completion of a linked SAIBT diploma
- Completion of courses through Open Universities Australia (OUA)
- Completion of courses at another recognised university

ADJUSTMENT FACTORS

UniSA offers adjustment factors (formerly known as bonus points) to high school students applying for entry. Additional points are based on set equity factors and/or subject choices.

GUARANTEED ENTRY

UniSA offers guaranteed entry into many degrees. If your Selection Rank (ATAR) meets the UniSA Guaranteed Entry score, you have met the prerequisites and any specific entry requirements, and you have listed the degree as your first preference, you are guaranteed an offer.

VISIT OUR ONLINE CREDIT ASSESSOR

See an instant snapshot of how your qualifications may count towards your UniSA degree. If your award is not listed, please contact Future Student Enquiries on (08) 8302 2376.

unisa.edu.au/credit
UniSA Foundation Studies
unisa.edu.au/foundation-studies

Study a free* one-year program through UniSA College with no minimum qualifications required for entry. Develop the foundation needed to study at a tertiary level, including critical writing, communication, research and study skills. You can also choose elective courses as an introduction to a specific area of interest, such as health, education, arts, social sciences, information technology, engineering and the environment, or business. After you have successfully completed this program, you can use your competitive Grade Point Average (GPA) to apply for any UniSA degree.

*Students will be required to pay the Student Services and Amenities Fee determined by the Australian Government.

FURTHER STUDY
After successfully completing the Foundation Studies program, you can use your GPA score to competitively apply for one of UniSA’s 200+ world-class degrees in an area of your choice. Students have the option of studying locally at the Whyalla Campus, choosing a flexible online degree or relocating to Adelaide depending on their chosen program. To learn more about our degrees, visit unisa.edu.au/study

ENTRY REQUIREMENTS
- No formal minimum entry requirements apply.
- Applicants who have not completed SACE or a Cert III must be at least 18 years old before February 1st of the year of intended enrolment for Study Period 2, or 18 years old before July 1st in enrolment for Study Period 5.
- In addition, applicants must be an Australian citizen, a New Zealand citizen or the holder of an Australian permanent visa, and
- Meet the relevant citizenship and residency requirements for a Commonwealth Supported Place.
- Applicants who have completed a TAFE/VET award at Cert IV or above, or who have studied at the higher education level will not be considered for admission into this program.

DEGREE STRUCTURE
FIRST YEAR
University Studies
- Literacy Course 1
- Elective 1
- Elective 2
- Literacy Course 2
- Elective 3
- Elective 4
- Elective 5

Students will attend on-campus lectures, tutorials, practicals, workshops or seminars; some study may be able to be completed online.

Aboriginal Pathway Program
unisa.edu.au/app

Study a free* 18-month program through UniSA College designed specifically for Aboriginal students with no minimum entry qualifications required. Build your confidence to study at university and the foundations you need to succeed at the tertiary level. Develop your academic, literacy, digital and numerical skills, along with your knowledge in areas such as Aboriginal culture and land management. Benefit from small class sizes with more one-to-one support from teaching staff. You can also get involved with social activities, networking opportunities, peer mentoring and more. After you have successfully completed this program, you can use your competitive Grade Point Average (GPA) to apply for any UniSA degree.

*Students will be required to pay the Student Services and Amenities Fee determined by the Australian Government.

FURTHER STUDY
After successfully completing the Aboriginal Pathway Program, you can use your GPA score to competitively apply for one of UniSA’s 200+ world-class degrees in an area of your choice. Students have the option of studying locally at the Whyalla Campus, choosing a flexible online degree or relocating to Adelaide depending on their chosen program. To learn more about our degrees, visit unisa.edu.au/study

ENTRY REQUIREMENTS
- This program is open to all people who identify as Aboriginal.
- No formal minimum entry requirements or age limits apply.
- Apply directly at unisa.edu.au/appform or email app@unisa.edu.au for more information.

DEGREE STRUCTURE

FIRST YEAR
- Land Management (OC)
- Building Academic Success (OC)
- Applied Computer Practices (OC)

SECOND YEAR
- Maths Fundamentals (OC)
- Critical Thinking: Media and Academia (OC)
- Introduction to Human Behaviour (OC)

Students will attend on-campus lectures, tutorials, practicals, workshops or seminars; some study may be able to be completed online.
STUDENT EXPERIENCE

SUPPORTING YOU

Study support
We want you to achieve your best, so we offer a variety of study support services. You can access online learning resources, talk with a learning adviser, get peer-to-peer support, connect with a mentor, and receive free after-hours tutoring online for help with writing, referencing and more.

Career services
We want to get you career ready, so you can access our career services from first year. Make the most of our online Career Hub with a wide range of self-help resources, including tips on resume writing and practising your interview skills. There are also professional job listings with some exclusive just to UniSA students. You can also connect with a career adviser for help with career planning and attend industry events to build your professional networks.

Personal counselling
All UniSA students can access free and confidential face-to-face counselling to help manage a personal issue or to talk through any pressure points during your studies. We partner with local providers to that you can get independent support and advice when you need.

Access and inclusion services
Our services range from facility and access requirements through to developing individual action plans for all students with a physical disability, mental health issue or medical condition.

Wirringka student services
We have teams to support the specific needs of our Aboriginal students, including tutorial assistance, a mentorship program, scholarships and grants, dedicated study spaces, and access to learning advisers both on-campus and online. We also have an engagement officer on-campus that can provide additional tailored support.

Safezone app
All UniSA students can download the free SafeZone app, providing additional security and support when studying on campus. The app allows you to get help quickly in a personal emergency or if someone else needs first aid or general assistance. You can check-in when working alone or after hours, sharing your status with an on-site response team. You can also receive notifications so you know what to do in an emergency situation.

For more information, visit unisa.edu.au/regional-support-whyalla
CAMPUS LIFE

Campus culture
Make the most of your university experience by getting involved with a range of social activities, clubs and volunteering opportunities. Enjoy delicious food at our refurbished café on campus, chill out in the student lounge, study in collaborative computer pools, and make new friends along the way. You can also apply for a unique scholarship which focuses on student leadership, giving you the opportunity to develop new initiatives and events that will help to enhance the overall student experience at UniSA, along with your professional and leadership skills.

Events and workshops
We host several events throughout the year kicking off with a Welcome Party as part of Orientation Week. Other events on the calendar include celebrations for Multicultural Week and Reconciliation Week, on-campus family days and other off-site social events. There are also learning workshops hosted on campus through virtual classrooms to help with your studies.

Global exposure
Expand your horizons through international field trips, work placements, internships, study tours, short-term programs, volunteer opportunities, conferences or a student exchange during your studies. You will graduate with a global and competitive edge, with international knowledge and experience.

UniSA Sport
Meet new people and become part of a team by getting involved with sports like mixed netball or volleyball.

Your student association
Connect with your student association – USASA. They provide a voice for all UniSA students through advocacy work, along with social events, second-hand text book sales, clubs, the student magazine and more.

Discover more at unisa.edu.au/student-life

Scholarships
Every year, over 2,500 students benefit from our grants and scholarships. Find what you are eligible for through our online scholarships search engine. unisa.edu.au/scholarships

There are also a number of grants specifically available for local students after enrolment, including the Eddie Hughes Regional Education Grant the Bendigo Bank Whyalla Study Support Grant.
The Whyalla Campus features on-site accommodation at the Student Residential Village. Students have their own bedroom and share a bathroom with one other student. A fully-furnished kitchen and common living area means you can interact and study with your peers. Lecture and tutorial rooms are only a short walk away and the complex is monitored by on-going security. Off-street parking is available along with a lockable storage shed suitable for bicycles and other items. A BBQ area, volleyball court and basketball court complete the space and help to create a fun and balanced lifestyle. Applications are also accepted for shorter and longer term stays at a very affordable cost.

Find out more at unisa.edu.au/studentvillage
IN THE COMMUNITY

INNOVATION HUB
The Innovation & Collaboration Centre (ICC) in Adelaide has opened a regional incubator in Whyalla, opening doors for local business owners and entrepreneurs. The ICC provides support for early-stage business ideas and startups, including access to commercial knowledge, startup business advice, co-working space, access to a network of expert advisers, and in some cases a stipend to help entrepreneurs get started.

HEALTHY FUTURES
Our Whyalla Campus is home to the UniSA Rural Health Clinic, offering podiatry and physiotherapy services to help meet local community needs. The public can access health services spanning lower limb treatments, biomechanic assessments, sports injuries, nail surgery and paediatrics. This initiative also supports student placements who practise under the guidance of qualified professionals from the local Whyalla hospital.

BUSINESS GROWTH
UniSA has rolled out its unique Future Industries Accelerator (FIA) program in Whyalla, which encourages meaningful collaborations with industry. The program helps local businesses to build their research and development capacity to accelerate growth and create jobs. UniSA’s world-class Centre for Business Growth has also been focusing on business development programs in the region, with initiatives designed to boost local skills in leading and managing growth in a global marketplace.

COMMUNITY SPONSORSHIPS
We support a wide variety of local clubs and initiatives, celebrating the local community spirit, including:

- Whyalla Hockey Association
- Whyalla Football League
- Port Lincoln Football League
- Whyalla Chamber of Commerce
- Brand SA Awards
- Science Alive
- Science and Engineering Challenge
- Whyalla Players
- Youth Opportunities
- Whyalla Tourism Advisory Group
- Edward John Eyre High School
- Samaritan College
- Whyalla Education Partnership
- High Academic Achievement Awards

“The Whyalla City Council enjoys a close working relationship with UniSA and the Whyalla Campus. We have common regional goals of improving access to tertiary education and providing opportunities for people who are not able to relocate to attend university. Encouraging people to live, study and work in our region provides additional benefits for the individual and for our community.”

Chris Cowley
CEO, Whyalla City Council

Go online to watch a guided tour
RELOCATING TO ADELAIDE

As a regional student, you can also choose to relocate and study at one of the UniSA campuses in Adelaide. Depending on your chosen degree you might be based at City West, City East, Magill or Mawson Lakes. Here are some useful tips to help you make a smooth transition.

BEFORE YOU ARRIVE

Explore your study options
Go online and find out more about the 200+ degrees we offer, including entry requirements, what courses you will study, career outcomes and more.
unisa.edu.au/study

Check for scholarships
UniSA offers a wide range of scholarships, including the UniSA Rural Connect Scholarships, which help rural and regional students fund their relocation to study in Adelaide. Check out the online scholarships search engine to see what you may be eligible for.
unisa.edu.au/scholarships

Look into accommodation
There are a variety of student accommodation options available including UniSA’s new Student Accommodation by Urbanest, offering modern apartments in the heart of the Adelaide CBD. It is important to start this process early, so visit our website and connect with one of our dedicated advisers.
unisa.edu.au/accommodation

AFTER YOU ARRIVE

Access support services
We offer an extensive range of support services to help you succeed at university. From study support to personal counselling, we are here to help. Check out the resources available online or visit your local Campus Central team.
unisa.edu.au/studentservices

Have a travel plan
Take the time to map out how you will get to and from campus. You can make the most of Adelaide being a smaller capital city and drive, cycle or catch public transport. Parking at the suburban campuses is very affordable, and bike storage and showers are available at all campuses. A free Campus Connector bus service also runs between Magill and Mawson Lakes.
unisa.edu.au/campus-facilities

Plan your career
It’s important to explore your career options and understand where your degree can take you. Our Career Services team provides on-campus advice and support, along with a variety of online resources. They can also help you to find paid or unpaid volunteer, internship and employment opportunities, and they host workshops and events throughout the year so you can develop your professional knowledge and skills.
unisa.edu.au/careers

Consider overseas study
Expand your horizons through international field trips, work placements, internships, study tours, short-term programs, volunteer opportunities, conferences or a student exchange during your studies. You will graduate with a global and competitive edge, with international knowledge and experience.
STUDY ONLINE

Tailor your degree so that you have time to travel, work and study from any location. We offer over 70 flexible online degrees including 100% online degrees through UniSA Online. Students studying online have the benefit of accessing campus facilities if they need, including computer pools, library resources and student support services.

YOUR STUDY MODES

- **On-campus**
  - with some online study available

- **On-campus/online**
  - blended learning

- **100% online**
  - through UniSA Online

STUDY ON DEMAND

Take full control over your study with UniSA Online, offering 100% online, career-focused degrees. Get online student support seven days a week, plan your study to fit around your life, access learning resources 24/7, and log in to an online interactive learning environment anywhere, any time and on any device.

UniSA Online also offers scholarships and grants to eligible students and credit for past study and relevant work experience.
