GET CAREER READY
We take a practical approach to teaching and learning so that our graduates can make a real impact in their chosen field. You can take part in internships and placements, student exchange programs and volunteer opportunities during your studies. Our Career Services team is also there to support you and get you ready for the workplace.

CONNECTED LEARNING
Benefit from smaller class sizes. Get more one-on-one time with your lecturers and tutors, and additional support when needed. Our highly-experienced teaching staff are also there to help students studying a blended mode of on-campus and online learning. The Mount Gambier Campus is also home to one of the nation’s fastest network systems, ensuring that students are well connected and have access to the best internet speeds during their studies.

FLEXIBLE STUDY
Enjoy flexible learning through part-time, online and blended study options. This allows you to travel, work and study from any location. We offer:
- Flexible degrees with a combination of on-campus and online learning
- The option to choose specific online subjects within your degree
- 100% online degrees delivered by UniSA Online

Students studying online can access all campus facilities, including computer pools, library resources and student support services. For more information see page 18.

CAMPUS FACILITIES
We have invested heavily in our campus facilities to provide purpose-built study spaces for our students. The Mount Gambier Campus features state-of-the-art facilities, including the $12.5 million Learning Centre, which has simulated learning environments for nursing and midwifery students, social work studios, a technology-driven gallery space, cutting-edge IT infrastructure and a range of study and social spaces. The campus is also open seven days a week with full student access.

STUDENT EXPERIENCE
It’s important that you feel supported during your studies. Students have access to a full-range of services, including study support, personal counselling, disability services and career services. Our Campus Central team is located on-site and can point you in the right direction. We also have tailored services for Aboriginal students, including study assistance and mentoring opportunities.

Study on the picturesque Limestone Coast in South Australia’s largest regional city. Established in 2005, UniSA’s Mount Gambier Campus is a major tertiary education centre for the state’s South East and surrounding areas, including South West Victoria.

Experience flexible learning and quality teaching, with the benefit of a relaxed environment, practical learning opportunities, small class sizes, tailored support services and strong community connections.

We offer degrees in key areas such as education, nursing, midwifery and social work, along with alternative entry programs, reflecting the needs and priorities of the region.

Not only have I been able to challenge myself to complete this degree, but I’ve been able to keep my job, stay near my support networks and build my life in the local area. The best part about the education degree was completing placements in schools where we could put our learning into practice. Practicum allowed us to find meaning and purpose in what we were being taught.”

YOUR PATHWAYS

We offer a wide range of alternative pathways for regional students to gain entry into university.

Unisa College

Unisa College offers alternative entry programs that can help you gain direct entry into a UniSA degree. These programs will prepare you for university study by building your academic skills and prerequisite knowledge. You will experience life as a UniSA student, learn from UniSA staff and have access to a full range of support services. After successfully completing your Unisa College program, you will then be able to seamlessly transfer into a wide range of UniSA degrees. See page 12 for more information.

VET Graduates

A completed Certificate IV, diploma or advanced diploma from TAFE or another RTO may be all you need to apply for a UniSA degree. If your completed VET award meets the UniSA Guaranteed Entry score, you have met the prerequisites and any specific entry requirements, and you have listed the degree as your first preference, you’re guaranteed an offer. If you’re successful in securing a place in a relevant UniSA degree, you may also be eligible to receive credit for your previous study, typically reducing the time it takes to complete the program.

Special Tertiary Admissions Test

If you don’t have a competitive result from Year 12, TAFE/RTO or previous university study, you may qualify for special entry into your preferred UniSA degree by choosing to sit the STAT – a two-hour test made up of 70 multiple choice questions designed to measure your aptitude for tertiary study. Your results will be used to create a ranking that you can then use to compete for entry with other special entry applicants. To be eligible, you must be aged over 18 years by 1 February (or 1 July for midyear entry) in the year you wish to commence your study. We also offer full-day workshops to help you prepare.

More Options...

- Completion of a linked SAIBT diploma
- Completion of courses through Open Universities Australia (OUA)
- Completion of courses at another recognised university

@ unisa.edu.au/pathways

Guaranteed Entry

Take the stress out of waiting for a university offer by exploring UniSA’s Guaranteed Entry option, which is available for many of our degrees. If your Selection Rank (ATAR including Adjustment Factors) or VET award meets our Guaranteed Entry score, you have met any prerequisites or specific entry requirements, and you have listed the degree as your first preference, you’re guaranteed an offer. For more information, visit unisa.edu.au/guaranteed

*I would highly recommend the Diploma in Health in Mount Gambier as it’s really helpful in building your future goals, whichever path you decide to take. I have always wanted to help people in some way. This was my opportunity to get started on a career in nursing, something I have been considering for years.*
STUDENT EXPERIENCE

SUPPORTING YOU

STUDY SUPPORT
We want you to achieve your best, so we offer a variety of study support services. You can access online learning resources, talk with a learning adviser, connect with a mentor, and receive free after-hours tutoring online. Our Study Help PALs are also available to provide friendly, informal study support at dedicated sessions on campus. They are current UniSA students who can help you with assignment writing, referencing, and building your overall study skills. unisa.edu.au/studysupport

CAREER SERVICES
We want to get you career ready, so you can access our career services from first year. Make the most of our online Career Hub with a wide range of self-help resources, including tips on resume writing and practising your interview skills. There are professional job listings with some that are exclusive to UniSA students. You can also connect with a career adviser for help with career planning and attend industry events to build your professional networks unisa.edu.au/careers

PERSONAL COUNSELLING
All UniSA students can access free and confidential face-to-face counselling to help manage a personal issue or to talk through any pressure points during your studies. We partner with local providers so that you can get independent support and advice when you need unisa.edu.au/counselling

ACCESS AND INCLUSION SERVICES
Our services range from facility and access requirements through to developing individual action plans for all students with a physical disability, mental health issue or medical condition. unisa.edu.au/access-inclusion

WIRRINGKA STUDENT SERVICES
We have teams to support the specific needs of our Aboriginal students, including tutorial assistance, a mentorship program, scholarships and grants, dedicated study spaces, and access to learning advisers both on campus and online. We also have an Aboriginal Student Engagement Officer on campus who can provide additional tailored support. unisa.edu.au/Wirringka

SAFEZONE APP
All UniSA students can download the free SafeZone app, providing additional security and support when studying on campus. The app allows you to get help quickly in a personal emergency or if someone else needs first aid or general assistance. You can check-in when working alone or after hours, sharing your status with the UniSA security team. You can also receive notifications so you know what to do in an emergency situation. unisa.edu.au/safezone

CAMPUS LIFE

EVENTS AND WORKSHOPS
We host several events throughout the year starting with a Welcome Party as part of Orientation. Other events on the calendar include, celebrations for Multicultural Week and Reconciliation Week, student dinners and family days, and other off-campus events. There are also learning workshops hosted on campus through virtual classrooms to help with your studies, along with workshops delivered by visiting academics from Adelaide.

SCHOLARSHIPS
Every year, more than 2,500 students benefit from our scholarships and grants. These are available to help students with the cost of their studies. There are a number of grants specifically available for local students after enrolment, including the Cowan Regional Grants and the Rotary District 9780 UniSA Grant.

IN THE COMMUNITY

We have a strong connection with the local community to help build a vibrant and thriving region.

CONNECTING WITH INDUSTRY

UniSA has rolled out its unique Future Industries Accelerator (FIA) program in Mount Gambier, which encourages meaningful collaborations with industry. Businesses across the Limestone Coast can utilise FIA to test product ideas or to help overcome technical challenges. FIA has become the destination of choice for new innovations and breakthroughs, and is always looking for new opportunities to collaborate. UniSA’s world-class Centre for Business Growth has also been focusing on business development programs in the region, with initiatives designed to boost local skills in leading and managing growth in a global marketplace.

HEALTHY FUTURES

The Limestone Coast Regional Sporting Academy (LCRSA) has developed a 12-month program for young local athletes with great sporting potential, focusing on strength training, body conditioning and elite education. As a Foundation Partner, our Mount Gambier Campus is the host venue for all education programs and athletes access regular testing at UniSA’s High Performance Centre in Adelaide. The program is all about nurturing local talent, providing good education and removing hurdles to help young athletes reach their goals.

CHANGING LANDSCAPES

The Wattle Range Council and UniSA STEM have established a partnership that creates opportunities for student placements and joint research projects. The partnership will examine challenges relating to biomass, wind turbines, townscapes and coastal erosion, which will benefit the local council area and beyond.

FOREST RESEARCH MOUNT GAMBIER

UniSA has established a $6 million forestry research and development hub on campus to support the South East’s $7.2 billion forest industry. The National Institute for Forest Products Innovation Hub is a partnership between UniSA and the state and federal governments, focusing on new research and solutions that can add value to industry and support economic growth in regional South Australia.

COMMUNITY SPONSORSHIPS

We sponsor local organisations and initiatives to support and celebrate the community. Key sponsorships include the Western Border Football League, Pioneers Basketball, Blue Lake Fun Run, Sir Robert Helpmann Theatre’s Community Circle, and Women in Business and Regional Development (WiBRD). We also sponsor local secondary school award nights throughout the Limestone Coast and South West Victoria.

Pedal Prix

One of our largest community sponsorships is the UniSA Australian HPV Super Series. The competition sees teams race Human Powered Vehicles (HPV’s) on a closed circuit, with one stage held in Mount Gambier attracting hundreds of riders and spectators. UniSA is the naming rights sponsor and is focused on promoting education, the development of sustainable communities, healthy lifestyles, quality research, and innovation.

“Lynnette Martin OAM  |  Mayor of Mount Gambier

“The City of Mount Gambier supports the work of UniSA’s Mount Gambier Campus, providing people of all ages with access to tertiary education. The campus provides local people with the opportunity to upskill and value-add to the community in areas such as education, midwifery, nursing and social work, and is an important drawcard for those considering making a life in our city.”
SUPPORT SERVICES

UniSA Online provides unique support services over extended hours – including on weekends – so you can get help when you need it. Whether it’s for assignments, referencing, administrative or technical supports, you will have access to a team ready to assist you every step of the way.

STUDY 100% ONLINE

Joe Denman | Psychological science and sociology student

"After finishing training as a life coach, I wanted to further my understanding of the human mind, whilst studying and living locally in Mount Gambier. I first completed the Foundation Studies program through UniSA College, which then gave me the confidence to study a degree with UniSA Online. I’ve enjoyed the flexible learning and accessing the local campus, which has very fast internet speeds and great facilities.”
