

## City East Campus Map

The University of South Australia Health Research Clinical Trial Facility (depicted as **CTF** on the map below) is located at the City East Campus in the Bonython Jubilee (BJ) Building, Level 1 (ground level).

You are able to enter the campus from Frome Road gate 4 via the ramp or down the stairs that are next to the pedestrian lights on Frome Road.

Enter the building through the double glass doors, come down the stairs and enter the door on the right. This will lead you directly into the reception/waiting area.

If you require mobility ramp access please continue down the walkway between Playford Building (P) and BJ Building and enter through the automatic doors into the BJ Building and follow the signs.

If you need assistance once on campus, please ring Louise Massie on **8302 2097** or **0412658280**

Car parking facilities are available on **Victoria Drive**, and there are also car parks within walking distance to the Facility: UPark Frome – 22 Frome Rd, Centrepont Ezi Park – Pulteney St, Bent St Car Park.
