3 years full-time  
(or part-time equivalent).

## RESPONDING TO INDUSTRY NEEDS

The financial planning profession has introduced new education standards, making it more important than ever to hold a recognised qualification.

If you're currently working in the field, you'll need to complete a FASEA approved program by 2024 in order to continue practising.

If you're looking to begin your career as a financial planner, you'll need to study a FASEA approved program from 2019.
