# Legal Advice Clinic

Providing free, confidential legal advice to members of the South Australian community

### ABOUT

The UniSA Legal Advice Clinic offers free legal advice across a range of matters. The Clinic is staffed by law students who offer advice to the community under the supervision of qualified legal practitioners.

Trained in professional conduct, Clinic staff are courteous, respectful and professional at all times. Client information and enquiries are kept confidential.

The Clinic offers three free legal advice services located at UniSA City West campus, Port Adelaide Magistrates Court and Elizabeth Magistrates Court.

### SERVICES & FEES

#### UniSA City West Campus

Legal service Free

Our on-campus Clinic offers advice on matters such as criminal, family, debt claims, car accidents, tenancy and neighbourhood disputes.

Initial appointments are 60-minute interviews conducted by two UniSA law students who will then review your legal issue with a qualified legal practitioner.

Our clinic is located at UniSA City West campus, by appointment (see Page 2 for details).

### SERVICES & FEES cont.

#### Port Adelaide Magistrates Court

Legal service Free

This service is available in the Port Adelaide Magistrates Court. We provide assistance or advice on a range of areas including traffic charges, car accidents and expiation notices.

Located at Port Adelaide Magistrates Court on Wednesdays (see Page 2 for details).

#### Elizabeth Magistrates Court

Legal service Free

This service primarily focuses on people who have debts. We will provide advice on whether you have to pay the debt and can provide financial counselling, in conjunction with the Northern Community Legal Service, for you to organise a payment plan. If you dispute the debt, we can advise on court process and how you can manage your debt matter.

Located at Elizabeth Magistrates Court on Tuesdays (see Page 2 for details).

### TEACHING & LEARNING

The Clinic offers an important community service and provides an opportunity for undergraduate law students to use their legal knowledge and develop their professional skills. The student-run Clinic equips students with the clinical legal skills and knowledge required for the practice of law.

### COMMUNITY CLINICS

UniSA also offers a range of other clinics for the community including:

- Allied Health clinics
- Exercise Physiology Clinic
- Marketing Clinic
- Midwifery Clinic
- Physiotherapy Clinic
- Psychology Clinic
- Podiatry Clinic
