

Research Leadership Committee

Purpose

Research Leadership Committee (RLC) provides research leadership to the University community and advice to the Deputy Vice Chancellor: Research & Enterprise and Enterprise Leadership Team on major issues relevant to research.

Terms of Reference

1. Identify, advise on, and monitor matters relevant to research strategy, policy and management at the University, including strategies for Australian Aboriginal research and gender equity;
2. Monitor the quality and overall performance of the University's research activities;
3. Monitor the University's compliance with the *Higher Education Standards Framework (Threshold Standards) 2015* as it relates to research;
4. Promote and provide advice on research training, in coordination with Research Degrees Committee;
5. Identify, advise on, and monitor matters relevant to research integrity both within and beyond the University;
6. Facilitate and strengthen the link between teaching and research.
