

# Global Leadership Forum

6.00pm -10.30pm AEDT , 27 October 2022

The Global Leadership Forum is a carefully designed and curated learning journey which offers students the chance to come together with their peers from across the world and to hear from inspiring speakers on the biggest issues, challenges and opportunities we face.

By leveraging the convening power of technology, both speakers and your peers from universities will join in from across the globe. Speakers will share insights into the challenges faced by leaders in their cities and societies, to create a unique learning experience .

*"It was wonderful to be a part of a GLOBAL forum - amazing first for me. This was so inspiring. I felt we were united in our humanity and the possibilities for goodness and hope despite the trouble and trauma in the world. With so many optimistic people, we are guaranteed of a future that maintains a sense of humanity, which I feel is the most salient issue of our time." - Participant, Griffith University*

The Global Leadership Forum gives you a chance to stand up and take ownership of the leadership that will define you, your generation and the impact you will have on the world —and to demonstrate this by earning the embedded Global Leadership micro-credential.

Since May 2020, on Global Leadership Forums online across the world:

- **6,500+** students from
- **118** universities interacted with
- **100+** global senior leaders.

## When & Where

---

### Date & timings

**Thursday 27 October 2022**

**6.00pm—10.30pm AEDT**

---

### Online Via zoom

---

**You need to attend in full to graduate**

### **Learning Journey**

Your journey will begin with an inspiring keynote encouraging you to step up as the next generation of leaders.

### **Leadership Masterclasses x 2**

*(60 minutes X 2)*

Hear from global leaders by choosing two Leadership Masterclasses each with expert speakers, covering pressing issues in the workplace and society, and how these leaders have led across boundaries.

### **Closing keynote (45 minutes)**

Hear from a powerful closing keynote speaker on their personal leadership journey, and be inspired to create an impact in the world.

### **Reflection and networking**

*(optional - 30 minutes)*

Meet and network with your fellow students across universities and countries, to know each other better and reflect on what you learned during the forum.

### **Earn a Global Leadership micro-credential**

By completing the program, you have the opportunity to demonstrate your learning by earning the "Global Leadership" micro-credential — which can then be shared on platforms such as LinkedIn.

Masterclasses will cover a range of topics such as:

- **Climate and Sustainability:** Integrating this as a core value across organisations
- **The Future of work is now**
- **The Learning Mindset:** Maximize your learning and growth in your career
- **Building Communities of Care—**a world created by social justice
- **Graduate skills in the 21st century:** how to stand out from the crowd
- **Cross boundary leadership**
