Onshore students email from Tom Steer, Chief Academic Services Officer

The South Australian government recently shared its plans for opening the South Australian border from 23 November 2021, with further easing of COVID-19 restrictions when the State reaches a 90% vaccination rate.

I'm writing to let you know that UniSA continues to remain open, and our student support services will still be available for you, however some services will move to virtual delivery as outlined below.

On-campus services

- All [Campus Central locations](#) will remain open for student enquiries and support.
- UniSA 's City East and City West Medical Clinics will be open. Anyone with Covid-19 symptoms will be offered a Telehealth appointment only. Please refer to the [website](#) for full details.
- [UniSA gyms](#) and the Pridham Hall pool will remain open and operate in accordance with SA Health advice.
- [UniSA Libraries](#) will remain open.
- [MOD](#), the [Samstag Museum of Art](#), the [Bob Hawke Prime Ministerial Centre & Library](#) and the [Kerry Packer Civic Gallery](#) will remain open.
- [FM Assist](#) locations remain open and security support is available 24-hours

Virtual services

Until further notice the following services will be provided virtually (Zoom or telephone) and can be [booked online](#).

- Accommodation Services
- Career guidance and career job search support
- Access and Inclusion services
- International student support
- Learning advice and assignment help
- Personal counselling
- Wurringka Student Services (Please book directly with an [Aboriginal Student Engagement Officer](#)).

For further information about student services and advice related to COVID-19, please refer to the [COVID-19 FAQs](#).

Our teams are here to help, so please don't hesitate to get in touch if you need us.

Regards
