THINGS TO DO

Make the most of your Open Day experience by checking out some of these key activities and attend presentations throughout the day (refer timetable below).

2 TAKE A CAMPUS TOUR

Pridham Hall Foyer

11:00am, 2:00pm

Discover the unique learning spaces around City West Campus, beginning with the award-winning Jeffrey Smart Building. See our modern facilities first-hand and get a real glimpse into campus life.

3 GET DOWN TO BUSINESS

Y Building

Open all day

Experience life as a UniSA business student by exploring

our state-of-the art facilities and learning about the services available through the Business Student Hub. See the Yungondi Building come to life and grab a free coffee, make cold rolls, and pot your own plant in the Community Garden.

3 TRADE LIKE A BOSS

Y Building

11:00am, 2:00pm

Discover our IRESS Trading Room equipped with a market data feed and the same technology used by the world's leading banks and investment firms. Our finance experts will show you how to execute deals, manage portfolios, trade financial securities and adapt to changing market conditions.

4 TOUR THE LAW SCHOOL

Law Building

10:30am, 12:45pm

Tour our historic Law Building that was once home to the South Australian Brewing Company Headquarters and is now the central hub for UniSA law students. Discover our moot court where you will participate in mock trials and explore our student-run Legal Advice Clinic.

4 MEET OUR TOP LEADER IN LAW

Law Building

15 minute sessions between 10:30am–12:30pm and 1:30pm–3:30pm

Take the opportunity to have a 15 minute chat with the Dean and Head of the UniSA Law School about our law degrees and your future career path. A booking list will be available at the Law Building for you to put your name down.

5 CONNECT WITH NEXT GEN COMPUTING

K Building

Open all day

Get fully immersed with Magic Leap – a lightweight, wearable computer, which blends the digital and physical worlds. You can also check out our latest virtual reality technology, new mobile app designs and creative games.

5 EXPLORE YOUR ARTISTIC SIDE

K Building Foyer

Architecture & Interior
Architecture: 1:15pm, 2:00pm

Communication Design:
1:00pm, 3:00pm

Contemporary Art:
12:00pm, 1:30pm
Illustration & Animation:
12:45pm, 2:15pm
Product Design: 12:15pm

Take a tour and see our purpose-built facilities for art, architecture and design students. You can explore the studios and workshops, speak to current students and view portfolios of work on display.

5 MEET THE FUTURE YOU

K Building

Open all day

Can you picture yourself in your future career? This may even be a career that doesn't exist yet. Come and visit our talented illustration students to have a caricature drawn of you in your future career. Watch as your picture forms part of our giant collage of careers.

5 ENTER THE WORLD OF MEDIA

K Building

Open all day

Have you ever wanted to be a film director, television host, VFX artist or radio presenter? Then try your skills in our interactive Media Hub. Get hands-on experience with industry-standard cameras, engage with the latest virtual reality technologies and view exhibitions of student work.

5 WALK THE PLANK

K Building

Open all day

Walk a virtual plank on a high rise building and experience how virtual reality could be used in future psychological fields like exposure therapy to help overcome a fear of heights.

6 RUB SHOULDERS WITH A CHAMPION

Hindley Street

11:00am–1:00pm

We are proud premier partners of the Adelaide Crows and we're giving you the chance to test your handball skills against an AFLW champion. You can also get your hands on the NAB AFL Women's Premiership Cup!

6 LIVE THE SPORTY LIFE

Hindley Street

Open all day

Get active with a variety of sporting activities set up on Hindley Street. Meet staff from UniSA Sport and learn all about our sporting clubs and competitions.

7 DISCOVER OUR SPORTING HEART

Pridham Hall Foyer

Open all day

Walk around Pridham Hall and explore our impressive on-campus gym facilities, fitness studios and swimming pool. You can also learn more about all of the UniSA Sport facilities and other health and fitness opportunities at UniSA.

PLACES TO SEE

Check out some of these activation spaces around campus and learn more about life at UniSA. All spaces will be open from 9:00am–4:30pm.

8 ART, ARCHITECTURE AND DESIGN EXHIBITION

SASA Gallery, K Building

Be inspired by student work from different disciplines including architecture, contemporary art, product design, interior architecture, communication design, and illustration and animation.

8 ARCHITECTURE MUSEUM

K Building

Discover Australia's only architecture museum filled with over 200,000 items – including records, drawings, photographs and more.

8 ART SALE

K Building

Purchase some unique items at our student art sale and be inspired by the creative work they produce.

9 SAMSTAG MUSEUM OF ART

H Building

Be captivated by two premiere exhibitions celebrating SA artists, Louise Haselton and Sandra Elms. Haselton, feature artist of the 2019 SALA Festival and UniSA alumnus, illuminates the liveliness and communicative power of inanimate objects. Photographs by the late Sandra Elms present a meditation on the passage of time.

10 MOD. EXHIBITION

North Terrace

Do you want to feel great forever? Then go and see the latest MOD. exhibition, HEDONISM, which explores the things we can do to make us feel good for a lifetime, not just for a weekend. Please note there are some mature themes.

11 IMAGES OF RESEARCH EXHIBITION

Pridham Hall Foyer

See amazing images captured by our very own researchers and cast your vote in our People's Choice Competition to win.

12 KERRY PACKER CIVIC GALLERY

H Building, Level 3

Explore a thought-provoking gallery space showcasing work that reflects the themes of Strengthening our Democracy, Valuing our Diversity and Building our Future.

STUDENT LIFE

Make the most of your university experience. At UniSA you can choose from over 100 clubs and societies, write for the student magazine, join a sport team, workout at the gym, develop your leadership skills, discover the UniSA+ Award, volunteer in the community, go along to events and more!

Learn more at unisa.edu.au/studentlife

ORIENTATION

Kick-off your university adventure by attending Orientation Week. Meet your lecturers, connect with new people and gain valuable insights from current students. Enjoy a free lunch and entertainment, explore your home campus and get ready for your first day at university.

EVENTS AND ACTIVITIES

All sorts of great events and activities are offered to students throughout the year across all of our campuses. From careers and volunteering events to health, sport and wellbeing activities – there is always something to discover. Students can also explore the public exhibitions and events at The Samstag Museum, Hawke Centre and MOD.

You can join one of our 25+ sporting clubs including rowing, basketball, volleyball, netball, football, gridiron, rock climbing, and more. Gain access to Pridham Hall with a fully-equipped space for training and competitions. You can also sign-up for a range of sports tournaments from social to national level, keep active in our on-campus gyms, and participate in community events.

University of South Australia
Student Association

USASA is your student association. USASA coordinates student advocacy, clubs, second-hand book sales, social events, production of the student magazine, campus counters, and free goodies and giveaways.

THINGS TO DO

Make the most of your Open Day experience by checking out some of these key activities and attend presentations throughout the day (refer timetable above).

3 BIOMECHANICS DEMO

H Building, Level 1,
Biomechanics Lab

10:30am, 1:30pm

Watch a live 3D movement analysis demonstration that uses force, motion and muscle activity.

3 BLOOD TYPING

H Building, Level 5,
Histopathology &
Haematology Lab

12:00pm, 2:00pm

Through the study of Haematology, learn the process of determining a person's blood group and how this is used to treat patients.

3 CRYSTAL GARDEN

H Building, Level 3,
Chemistry Lab

Open all day

See how chemistry is involved in the formation of molten silicates in the Earth's mantle.

3 TISSUE CUTTING

H Building, Level 5,
Histopathology &
Haematology Lab

11:30am, 1:30pm

Learn about the study of histopathology and how to cut and stain tissue sections for closer observation.

3 SQUID DISSECTION

H Building, Level 2, Biology Lab
11:15am, 1:30pm

What has three hearts, blue blood and deadly fingernails? See how a squid is different from any other animal on the planet.

3 SKULL DISPLAY

H Building, Level 2, Biology Lab
Open all day

View our extensive skull display and see if you can guess what skull belongs to which animal.

4 ART OF ANATOMY

BJ Building, Level 3,
Anatomy Lab

11:00am, 2:00pm

Watch a fascinating demo of an artist painting intricate anatomy structures on a human body, which normally cannot be seen by the human eye.

4 HOW OT's THINK

BJ Building, Level 2,
Occupational Therapy
Teaching Room

3:15pm

Observe the art and science of occupational therapy through an experience of sensory disability and problem solving.

4 RADIOTHERAPY DEMO

BJ Building, Level 1, VERT
12:45pm

Visit our VERT Suite and see how radiation therapy is used to treat virtual patients.

4 DISEASE DETECTION

BJ Building, Level 1, Nuclear
Medicine Computer Room
1:15pm

Explore the nuclear medicine imaging process and see how it's used to assess organ function and the severity of diseases.

4 X-RAY DEMO

BJ Building, Level 1,
Medical Imaging Suites
10:00am, 12:15pm

See how X-Rays are developed and viewed in our Medical Imaging Suites.

5 EXERCISE TESTING

P Building, Level 6,
Exercise Physiology Lab

10:15am, 11:15am,
1:30pm, 2:15pm

Observe a live VO2 Max demonstration used to enhance elite athlete performance.

5 FRESH CHEESE MAKING

P Building, Level 7,
Commercial Kitchen
10:30am, 12:30pm

Discover first-hand how milk is transformed into cheese by understanding the science that underpins food.

6 NURSING SHOWCASE

C Building, Level 6, Medical Unit,
Paediatric Unit and Emergency
Department

Open all day

Interact with registered nurses and nursing students as they provide care for patients in our authentic simulated hospital environment.

6 MIDWIFERY SHOWCASE

C Building, Level 5, Birthing
Suite, Special Care Nursery and
Post-Natal Area

Open all day

Interact with registered midwives and midwifery students as they provide care for women and babies in our authentic simulated hospital environment.

6 NURSING & MIDWIFERY VR EXPERIENCE

C Building, Level 5, Special
Care Nursery
C Building, Level 6, Medical Unit

Open all day

Experience our unique virtual reality platform and see how our nursing and midwifery students use this exciting technology as part of their studies.

6 PHYSIOTHERAPY DEMO

C Building, Level 8,
Physiotherapy Clinic
9:00am–11:00am, 2:30pm

Watch our physiotherapy students in action as they perform musculoskeletal assessments under the supervision of trained physiotherapists.

PLACES TO SEE

Check out some of the teaching facilities and student spaces around campus, open all day from 9:00am–4:30pm.
